

**Little Boy Had Eczema
For Six Months.
Salves and Ointments
No Good.**

Eczema is one of the most torturing of the many itching skin diseases, and also the most prevalent, especially in children. The cause is bad blood, aided by skin inflammation, etc. It manifests itself in small, round pimples or blisters which later on break, and form crusts or scales. The skin has an itching and stinging sensation. To get rid of Eczema, it is necessary to have the blood pure, and for this purpose nothing can equal

Burdock Blood Bitters.

Mrs. Florence Benn, Marlbank, Ont., writes:—"My little boy had eczema for six months. I tried ointments and salves, but they healed for only a short time, when it would break out worse than ever. I then decided to give Burdock Blood Bitters a trial. I only gave him two bottles, and it is now two months since, and there is no sign of a return. I feel sure that as a blood regulator, nothing can equal it. I cannot say too much for what it has done for us."

GOSSIP.

A lawyer making a specialty of divorce cases was recently consulted by a woman desirous of bringing action against her husband for separation.

The lady recited a harrowing story of ill-treatment at the hands of her better-half. Indeed, the lawyer was so impressed by her recital of woes that for a moment he was startled out of his usual professional composure. "Madam," he exclaimed, "from what you say, I gather that this man is a perfect brute."

Whereupon the applicant for divorce rose with dignity and said:

"Sir, I shall consult another lawyer. I came here to get your advice as to a divorce, not to hear my husband abused!"—[Harper's Weekly.]

"I congratulated a Frenchman one evening," says Simon Lake, the builder of submarines, "on the good manners of his nation, and he was very much pleased. He told me an anecdote illustrative of French politeness.

"He said that during the revolution a noble was on the way to the guillotine. As he rumbled in the cart along the boulevards howls and jeers from a half-drunken crowd were rained upon him, and finally a young woman, as she ran alongside the tumbril, cried:

"You tall villain, you will soon be shorter by a head."

"Does that please you, madam?" said the doomed noble civilly.

"Yes it does," she answered.

"Then, said he, 'I do not die in vain.'"

We had a brief visit recently from Mr. E. R. James, of the firm of Walter James & Sons, of Rosser, Man., who had just returned from a trip to Carman, where he had visited Mr. Andrew Graham and completed the purchase of several very valuable prizewinning Yorkshire sows.

He reports Mr. Graham's stock as being in a very thriving condition and mentioned particularly the young stuff, which reflects great credit on the breeding qualities of that veteran sire, Manitoba Chief. Mr. Graham has just completed a very up-to-date horse barn with modern improvements, which adds greatly to the already extensive stabling at Forest Home Farm.

Among the Yorkshire sows purchased from Mr. Graham are the following:

Sunnydale 12th—11182—, bred by G. B. Hood, Guelph, Ontario. She was sired by Oak Lodge Chance 3rd—4216—, bred by J. E. Brethour, and out of Princess May 3rd—2869—. It will be remembered that at the Dominion Exhibition last year, Sunnydale 12th was second-prize sow in the aged class. In 1903, she won first prize at Winnipeg as sow under two years of age, and was also sweepstakes sow.

Sunnydale 13th—11183—, a full sister to Sunnydale 12th, was also one of the purchases. At Winnipeg, in 1903, she won third place in the class for sows under two years, and at the Dominion Exhibition last year she was again third, this time in the aged sow class. In addition, she took first place for a sow and litter.

Oak Lodge Queen Bess 69th—15250—, bred by J. E. Brethour, of Burford, Ont., sired by Oak Lodge Julius 6th—12079—, is out of Oak Lodge Queen Bess 46th—12506—. She was sired by the imported boar, Oak Lodge Friar—7662—, bred by the Earl of Roseberry. At the Dominion Exhibition last year, this sow was second in the class for sows under one year, being beaten by another of Mr. Graham's sows.

A fourth sow, which promises well at present, is Woodstock Dalmeny Gem (imp.)—14490—, bred by the Earl of Rosebery, K. G. She is sired by Dalmeny King Frost (N. P. R.), and out of Dalmeny Lassie (imp.)—13574—. Imp. Dalmeny Gem, last year, at the Dominion Exhibition, took first place in the class for sows under a year, and was also the junior sweepstakes sow.

Mr. James reports the sale of Yorkshires during the past year as very satisfactory. They have still a few sows and boars that are old enough to breed, some of which are of superior quality.

IDEAL WOVEN WIRE FENCE
Saves Time, Trouble and Money.
You can sleep at night and rest assured that your stock is absolutely safe behind IDEAL fences.
This fence once built on your farm will end fence troubles for you.
It is made of No. 9 steel wire. It is made with the famous Ideal lock that can't slip. It is made to last and give good service. It is made on a good common-sense basis by men who know what the farmer needs. No animal can go over or under it.
The IDEAL is a strictly first-class fence at a low price. We believe it is by long odds the best fence on the market, and want you to know all about its construction, so we ask you to write for our new catalogue explaining all about the "IDEAL" fence.
A postal card or letter will bring the catalogue to your home. It is FREE.
