The Federation System enables Victoria to offer the following advantages :—

1. A compact college life in a commodious and beautiful modern building, provided with all the latest conveniences for healthful work.

2. A large staff of College Professors, composed of men with thorough European training and ripe experience as teachers, and of earnest Christian character.

3. Admission to all the lectures and laboratories of the University Staff of thirty-nine professors and lecturers, who, together with the twenty-eight professors and lecturers of the federated colleges, constitute the largest faculty of Arts in the Dominion, and one of the most efficient on the Continent. All University examinations, prizes, scholarships, honors and degrees are open to our students on equal terms with those of any other college. A large number of prizes, honors and scholarships are also offered to our students in our own College.

4. A commodious residence for women students with every modern advantage for health and comfort is now being erected and will be, it is expected, ready for occupancy in October, 1902. A course of physical training is already established under an accomplished directress and a women's gymnasium will form part of the new residence.

5. Excellent facilities are afforded both in the University and College for post-graduates reading for the degree of Ph.D., and also a full course in the Faculty of Theology.

Lectures in both faculties begin October 1st.
