TO PARENTS.

WANTED, IN A DRESS STONE, a respectable Youth, about 16 years of age, who would reside with the Principal Address to Z. Office of the Wesleyan. September 13.

TRY ARE YOU DESPAIR. HOLLOWAY'S PILLS.

CURE OF ASTHMA. Extract of a letter from Mr. Benjamin Mackie, a respectable Quaker, dated Greenah, near Loughball, Ireland Sept 11th, 1840. Professor Holloway, Respected Friend,---The excellent Pills have effectively cured me of an Asthma, which afflicted me for three years to such an extent that I was obliged to walk my room at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking the Pills I rubbed plenty of the Ointment into my chest night and morning. (Signed) BENJAMIN MACKIE.

CURE OF TYPHUS FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.

A respectable female in the neighbourhood of Loughall, was attacked with Typhus Fever, she lay for five days without having tasted any description of food. She was at once ordered by the Surgeon, and preparations were made for her demise. Mr. Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured. N. B.---From advice just received, it appears that Colonel Dear, who is with his Regiment in India, the 21st Fusiliers, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking night and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of luscious tea, or barley water.

CURE OF DROPSY IN THE CHEST.

Extract of a Letter from J. S. Mundy, Esq., dated Kensington, near Oxford, December 2nd, 1848. To Professor Holloway, Sir,---My shepherd was for some time afflicted with water on the chest, when I heard of it I immediately advised him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pills and Ointment, it has ever since been my most earnest endeavour to make known their excellent qualities. (Signed) J. S. MUNDY.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from his Lordship, dated Villa Messias, Leghorn, 21st February, 1845. To Professor Holloway, Sir,---Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my liver and stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay! not even the waters of Carls, Bad and Harzenbad. I wish to have another box and a pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient servant, ALDBOROUGH.

CURE OF A DEBILITATED STOMACH.

Mr. Mate, a storekeeper, of Gundagu, New South Wales, had been for some time in a most delicate state of health, his constitution was so debilitated that his death was shortly looked upon by himself and friends as certain; but as a forlorn hope, he was induced to try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perfect health and strength, to the surprise of all who knew him. He considered his case an extraordinary that he, in gratitude, sent it out for publication in the Sydney Morning Herald, in which paper it appeared on the 2nd January, 1848. A few doses of the Pills will quickly rally the energies of both body and mind, when other medicines have failed.

These celebrated Pills are wonderfully efficacious in the following complaints:

Ague,	Female Irregularities,	Sore throats,
Asthma,	Fever of all kinds,	stercorata or king's evil,
Bilious Complaints,	Headaches,	Stones and Gravel,
