## Drummond's "Natural Law in the Spiritual World" is far

away the most widely read work in the religious literature of the present day. BISHOP DOANE pronounces it: "A Great work." BISHOP COXE: "Grand reading." *The Christian Union*: "Almost a revelation." *The Churchman*: "Those who fail to read will suffer a serious loss." DR. CHAS. F. DEEMS: "If you read only one book this year, let it be

Natural Law in the Spiritual World." *The Chicago Standard*: "One of those rare books which find a new point of view from which old things become new." DR. HENSON: "None of the nonsense of the new theology, but the old theology splendidly illuminated." *The Non-conformist*: "A most original and ingenious book, instructive and suggestive in the highest degree." *Aberdeen Free Press*: "It is difficult to say whether the scientific or the religious reader

will be the most surprised and delighted as he reads." This work was first published in this country at the price of \$1.50, then reduced by competition to \$1.00. I have just issued a new and beautiful Ideal Edition, unabridged, large type, handsomely bound in cloth, price 25 cents; postage, 8c.; an extra copy free for a club of five.

*The Literary Revolution Catalogue* (84 pages) sent free on application. ALDEN's publications are NOT sold by book-sellers—no discounts except to Stockholders. Books sent for examination before payment, satisfactory reference being given.

**Warranted Seed.** I have founded my business on the belief that the public are anxious to get their seed directly from the grower. Raising a large proportion of my seed enables me to warrant its freshness and purity, as see my Vegetable and Flower Seed Catalogue for 1888, FREE for every son and daughter of Adam. It is liberally illustrated with engravings made directly from photographs of vegetables grown on my seed farms. Besides an immense variety of standard seed, you will find in it some valuable new vegetables not found in any other catalogue. As the original introducer of the Eclipse Beet, Burbank and Early Ohio Potatoes, Hubbard Squash, Deephead Cabbage, Cory Corn, and a score of other valuable vegetables, I invite the patronage of the public. JAMES J. GREGORY, Marblehead, Mass.
