Church Committees

Are respectfully notified that our prices to HIGH CHURCHMEN are not high, and to LOW CHURCHMEN are not too low, but just that happy medium consistent with first-class PRINTING

Therefore when the Church Wardens' Report is to be printed; when Programmes, Tickets, etc., etc., for either the vestry or the Sunday school are wanted, come right to us, and if we can't satisfy you it isn't because we haven't facilities second to none in this country, or that we ask more than a fair margin of profit on our work.

Be Prepared!

Men will offer you fence "as good as the Page" for less money. Don't let them get away. Buy it if sure it is as good. Here is one test: Let six robust men jump on a two-rod panel. If there is no sag after they get off, that is one point.

HEADLONG Plunge to Destruction!

That is the view Sir Henry Thompson, England's greatest physician, takes of people drinking impure water, to which a large percentage of the deadly forms of disease are traceable.
Sir Henry says Mineral Water only is safe. St. Leon's equal has never been discovered, is a fact undoubted. While there is grave doubt about the Bay water, drink St. Leon—drink and you will be happy.
Don't risk dear, sweet life drinking polluted water while there is a safe remedy offered.
