

## Wipe out the Store Bill

Many people find when their yearly store bills are paid in the fall, that for twelve months' hard work they have had nothing but a living and are obliged immediately to obtain credit for the next year's supplies. They pay the highest price for what they buy on credit and frequently there are unintentional overcharges which there is seldom any means of rectifying because the counter checks have been lost.

Why not make the cows pay current expenses? They will do it with the assistance of a

## New Improved De Laval Separator

and will furnish cash for household needs from week to week, thus leaving the net crop returns as the foundation for a bank account.

A De Laval separator of suitable size may be purchased in such a way as to avoid the outlay of a dollar which the machine has not actually earned, and to prove its ability to wipe out the store bill it is only necessary to apply to the company or its nearest agent for a free trial.

## Put "BT" Stanchions and Steel Stalls In Your New Stable

They will make your stable NEATER, BRIGHTER, MORE SANITARY, AND MUCH HANDIER TO WORK IN than any other construction you can use. No other tie is as comfortable for the cows as the "BT" Swinging Stanchion. No other tie keeps them as clean, for they cannot move back and forward in their stall, but at the same time they are perfectly free to get up or down and to card themselves.

The "BT" Stanchion is made in five sizes and can be used with wood frame construction if desired.

Write for our free catalogue, giving full information how a stable should be laid out, how it should be ventilated and how to lay cement floors properly. Write to-day and let us know how many cattle you tie up.

## Proper Lubrication

For Steam Traction Engines and Steam Plants

## Capitol Cylinder Oil

Delivers more power, and makes the engine run better and longer with less wear and tear, because its friction-reducing properties are exactly

fitted to the requirements of steam traction engines and steam plants.

## Mica Axle Grease

Traction Engines, Wagons, Etc.

makes the wheel as nearly frictionless as possible and reduces the wear on axle and box. It ends axle troubles, saves energy in the horse, and when used on axles of traction engines economizes fuel and power.

Plows, Harrows, Drills

## Granite Harvester Oil

insures better work from the new machine and lengthens the life of the old. Wherever bearings are loose or boxes worn it takes up the play and acts like a cushion. Changes of weather do not affect it.

Gasolene and Kerosene Engines

## Standard Gas Engine Oil

is the only oil you need. It provides perfect lubrication under high temperatures without appreciable carbon deposits on rings or cylinders, and is equally good for the external bearings.

Every dealer everywhere. If not at yours, write for descriptive circulars to
