GENTLEMEN—I have used your **7 MONKS' TON-I-CURE** and found it a wonderful remedy—it cured me of weak nerves; and impure blood. My face and neck was all covered with pimples and they all disappeared with the use of three boxes of **7 MONKS' TON-I-CURE**. I can recommend to everyone, respectfully,
ELI LAVOIR.

Is your Blood impure?—your complexion marred?—or your nerves out of order? Read what cured another—it will also cure you.

Count the pieces—notice the difference—and you'll understand why the one who has to do the cleaning prefers the simple Sharples Tubular.

There are other advantages just as much in favor of the Tubular. Write today for catalog V-186—it tells you all about the gain, use, and choice of a separator.

FARMERS

Quality should be considered when buying butter tubs. A CHEAP PACKAGE made from poor wood and bound with ordinary wire, held on with staples, WILL NOT GIVE SATISFACTION.

E. B. EDDY'S BUTTER TUBS

are made from clear white spruce, with spring steel wire electrically welded hoops, corrugated and sunk in the wood, which permits of the tub expanding or contracting without the hoops breaking or falling off. **EDDY'S ARE WHAT YOU WANT.**
