Saturday, 8st December 1917

PROGRESS OF THE WAR November 29 to December 5]

N the week under review the war entered the forty-first month of its ourse, and the situation was such that to follow it. the end could not be even dimly perceived, though the final result was more positive-

ly assured. over the whole of the new front from boleths, some screeds of antediluvian Moeuvres through Bourlon Wood, Marco-ing. La Vacquerie, and Gonnelieu to Villars-Guislain. At the extreme apex of the salient, Cantaing, Noyelles, and Masnières, the British had to yield ground, thick the the salient of the salie which they had not been able to recover; in the political contest they are waging; but at several other points where the but if the "Charlotte County Rhymes Germans broke through the British lines they were subsequently ejected. The British lost very considerably in killed and wounded, and in prisoners captured literary output, we think the party will literary output, we think the party will literary output, we think the party will appropriate the subsequently of the subsequently expenses they in the subsequently expenses they in the subsequently expenses they are considerable to the subsequently expenses the subsequently expen by the Germans, but the losses they in- be better served without than with a parflicted on the Germans were said to be tyorgan. Fletcher of Saltoun told of a enormously in excess of the British casualties. The Germans claim to have captured 100 British guns, but this has neither been confirmed nor denied.

The Germans claim to have denied and to a great man who said he did not care who made the people's laws so much as who made their songs; but if the "Rhymes" above referred to are on the same plane rested with the British. At other points on the Western front considerable activity

portant changes in position resulted. pended. The political situation in Russia St. Stephen on Monday. Other outside Charlotte, Mr. T. A. Hartt. Svershadowed the military, and no sign speakers have addressed meetings of the

campaign were not under the control of the Bolsheviki.

Scant news only was received of the campaign in Palestine. The Turks were SCANDINAVIAN KINGS strongly resisting the further British adprecaution, the sympathy of the Jews

Great activity was reported in the Balkan campaign on the whole front from Albania to the Vardar, but precise and extended details were not forthcoming.

was practically unchanged during the veek, but it was said that the Teutons were preparing for another advance, pre There seemed to be full confidence that he Italians, reinforced by other members of the Entente Alliance, were in a posi tion to oppose successfully any further Austro-German advance.

The German submarine campaign claimed a large number of victims in merchant vessels sunk during the week, and some slight details were published concerning one of the most serious losses. that of the Apapa, in the torpedoing of

States against Austria-Hungary, is likely soon to be sanctioned by Congressional enactment. The full effect of American participation in the war will soon be felt the war. One matter advised in the Ad- quote from them in this issue. participation in the war will soon be felt a France and Flanders.

THE ELECTION CAMPAIGN

TNDER the above caption we referred in our last issue to the organized interruption in Quebec Province of all public meetings held in favor of Union Government candidates; and about the time the article was being written there occured at Sherebrooke a disgracefulscene which we describe in another column, This brutal outrage, and the outcry of indignation throughout Canada which followed it, seemed to have impressed upon If payment is made strictly in advance a lowed it, seemed to have impressed upon Laurier Liberal campaign leaders the undesirability (to put it mildly) of continuing such methods of political warfare. only comparable with the German outrages perpetrated in France, in Flanders, and on the high seas. Rule-or-Ruin seems to be the motto-the guiding principleof the Quebec followers of Sir Wilfred Laurler. It is therefore the patriotic duty of every person in the land who loves freedom to do all in his power to prevent them from doing either the one or the other, Laurier rule in Canada in this crisis of the British Empire, and of the world at large, would mean a calamity beyond expression; and if the ruin did not precede the rule it would be certsin In Charlotte County the campaign

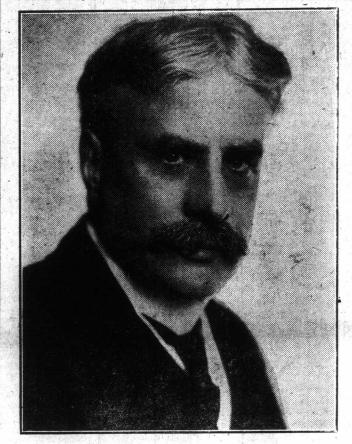

being conducted with dignity and all In the Western campaign occurred is a reluctance on the part of many to break away from old party affiliations; and there is some mumbling of old ships and the campaign occurred is a reluctance on the part of many to break away from old party affiliations. seriousness, but at the same time there above referred to are on the same plane
