Cheer Boys, Cheer, the Great War Now Is Over.

Tune: "Cheer Boys, Cheer, etc. etc."

Cheer boys, cheer, the Great War now is over.

Peace 'lights again upon our smiling land.

Long, long, and hard has been the giant conflict.

Victory and Peace now greet us, hand in hand.

With God's good help, our armies and our navies

Have put the proud oppressor and the tyrant down,

And a world renewed and freed from slavery's fetters,

The valor and endurance of our Flag will crown.

Cheer, boys, cheer, our Royal Newfoundland Regiment.

"Better than the best!" No foe could say them Nay.

Thru shot and shell and wire entanglement

They cool and dauntless hewed their onward way.

Cheer, boys, cheer for the comrades left behind them;

They sleep in Glory's Grave in Gallipoli and France.

The flight of time will all the more endear them,

And their fair fame and sacrifice enhance.

Cheer, boys, cheer our Sailor Lads so merry.

They swept the Huns, like chaff from off the open sea.

Thru storm and cold, 'spite mine and swift torpedo,

They made the world the country of the free.

Cheer, boys, cheer, our lads will soon turn homeward.

Wounded or sick, or sound, how welcome they will be

Cheer boys, cheer, they wear no empty honors;

They faced grim Death right oft for you and me.

Hr. Grace, Nov. 11th, 1918.

AN ANSWER.

By J. E. HOGG,

Rest now in peace, ye Flanders dead.

With each a cross to mark his bed Where poppies grow.

The boastful Hun

Who thought by might of sword and gun

To win the world, his quest has fled Ye noble dead,

The fight ye led is won, And peace is round us shed.

We live and love because ye bled "In Flanders fields."

Your cause has triumphed 'gainst the foe,

To us in vain ye did not throw The torch;

With pride we hold it high, And freedom's light shall never die.

Sleep then in peace, Where poppies blow,

"In Flanders fields."

PREMIER MURRAY SUPPORTS THE WAR SAVINGS SCHEME

Nova Scotia's Premier Calls attention to need of thrift among Canadians especially at present time.

Premier Murray of Nova Scotia is a firm believer in thrift, seeing in it the means through which Canada is to recover herself financially. He heartily recommends the War Savings Plan pointing out its special advantages to the person of small means. In a recent statement to the public he says—

"Two principal objects are aimed at in the endeavour to interest you in the purchase of War Savings Stamps. These are, first, to collect the necessary funds with which to carry on the work of reconstruction in Canada and, secondly, to inculcate the habit of thrift amongst all classes of our population."

"Money is still needed by the Government although the war is over. Our country cannot be fully demobilized until the peace terms are signed and, in the meantime, our soldiers must be fed and clothed and paid. Moreover, most of our men are still overseas and must be transported home. The Pension Fund and the Soldiers' Re-Education Fund must be maintained and strengthened. Important public works, long delayed, must now be undertaken. Government expenditure will necessarily continue for some time to be very considerably larger than in pre-war days."

"Money for these expenditures could, of course, be borrowed from large financial interests. Instead, every citizen, no matter how small his means, is given the opportunity to invest his surplus earnings conveniently and profitably through the purchase of War Savings Stamps. By curtailing useless expenditure it is estimated that a sum as large as fifty millions of dollars could be raised by our Canadian people in one year. It is the duty of every citizen to watch his expenditure closely and invest his savings where they will be abundantly safeguarded and utilized to the greatest advantage."

"Many people cannot afford to invest in bonds, but they can save by thrift small amounts and ultimately these accumulated savings will amount to the value of many bonds. Particularly will this apply to children, to young people, to those starting out in life and earning small amounts; to all, in fact, in every walk of life who cannot make large investments, but who would feel more secure in their old age did they have some little sum to fall back upon. This method of saving should appeal particularly in Nova Scotia to many classes of our population that are not in direct touch with the market centres."

AN IMMENSE FUND FOR MEDICAL RESEARCH

According to Science, the will of the late Captain J. R. De Lamar, mine owner and capitalist leaves nearly half his \$20,000,000 estate, in equal shares to the Harvard Medical School, Johns Hopkins, University and the College of Physicians and Surgeons of Columbia University for use in medical research and the dissemination of medical knowledge. The rest of the estate is left in trust to his daughter, with the provision that if she dies without issue the principal is to go to the institutions above named.

WHAT FACES THE UNITED STATES IF LEAGUE OF NATIONS NOT ACCEPTED.

Washington, Feb. 26. Secretary of the Navy Daniels speaking last night in the national press club declared that the American people today were face to face with making the choice either of a "League of nations" to safeguard the peace won by valor or of entering upon a career of such naval and military expansion as would "Enable us single handed to guarantee American rights and American interests from Halifax to Tierra Del Fuego."

WOMAN'S RIGHT TO GOOD HEALTH.

Most Troubles Afflicting Women Are Due to Weak, Watery Blood.

To every woman belongs the right to enjoy a healthy, active, happy life, yet nine out of every ten suffer years of agony, usually from some form of bloodlessness. That is why one sees on every side pale, thin cheeks, dull eyes and drooping figures—sure signs of headaches, weak backs, aching limbs and uncertain health. All weak, suffering women should win the right to be well by refreshing their weary bodies with the new, rich, red blood that promptly transforms them into healthy attractive women. This new, rich, red blood is supplied in abundance by Dr. Williams' Pink Pills which reaches every organ and every nerve in the body. Through the use of these pills thousands of women have found a prompt cure when suffering from anaemia, indigestion, heart palpitation, rheumatism, general weakness, and those ailments from which women alone suffer. There is no part of this broad Dominion in which you will not find some former sufferer who has regained health and strength through the use of Dr. Williams' Pink Pills. Among the thousands of women who bear testimony to the value of Dr. Williams' Pink Pills, is Mrs. W. Ferguson, Plattsville, Ont., who says: "After the birth of my second baby I was left very weak, and was steadily growing thinner and more bloodless. As time went on I became so run down that my friends thought I was in a decline. I tried different medicines, but none helped me until I was advised to take Dr. Williams' Pink Pills. I began taking them, and was not long in finding that they were helping me, and by the time I had taken a half a dozen boxes I felt like a new person. I had increased in weight, my color returned and I was again enjoying my old-time health. You may be sure when opportunity offers I will gladly recommend Dr. Williams' Pink Pills." You can get Dr. Williams' Pink Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
