Mr. W. A. Singleton,

Dear Sir,—I think it my duty to tell of the
great good St. Regis Lumbago Cure has done
me. I was troubled with Lumbago for about
six years, sometimes could soarcely raise
took nearly every kind of patent medicine and
took nearly every kind of patent medicine and
would be a little better while the medicine
lasted, but when it was done I was not fit to
work. About the first of June I was advised
to try St. Regis Lumbago Cure, and am happy
to say I had not taken half a bottle till the
backache was all gone and I have not felt
any return of the aliments since that time.
I take great pleasure in recommending it to
others who may be troubled with Lumbago
or Kidney troubles, for I have found it to be
all it is recommended for, and a trial will be
better for anyone than a recommendation.

Yours very sincerely,

HUSBAND, WIFE, BUSINESS

Should a man confide his business t his wife? asks Thomas W. Lawson in the October DELINEATOR. Should a man allow his heart to beat or his carcass? What is a man's wife? What s a husband's business?
