108 Canadian farmers will
receive cash prizes (twelve in
each Province) in our big

1912 FARMERS' PRIZE
CONTEST

WE held a contest last year in which 36 prizes were
offered. This year there will be three times as many
prizes (108) and therefore three times as many chances for you
to win one of them. You do not have to use a large quantity of
cement to win a prize. Many of last year's prize-winners used
comparatively little cement.

THE contest is divided into three classes and in only
one of these (Class "A") does the amount of
cement used count in deciding prize winners. Class
"B" is for doing the best concrete work (the class
makes no difference). Class "C" is for making in the
best and clearest description of how any piece of
concrete work was done.

THERE will be four prizes (First, \$50; Second,
\$25; Third, \$15; Fourth, \$10) in each
class in each Province. Thus you have only to com-
pete with other farmers in your own Province,
and not with those in all parts of Canada. This
gives you the best possible chance to win a \$50
prize.

IT COSTS NOTHING TO ENTER—There are absolutely no "fees" in this contest. There is no entry fee or no fee to enter
with. You cannot lose, because the improvements you make of concrete for the prize will be more than
worth their cost. We have a book, "What the Farmer Can Do With Concrete," that will give you all the
information about the use of concrete you can need. It will be sent to you free when you ask us for complete particu-
lars of the Prize Contest. Ask for particulars today. Just say "Send me, free, your book and full particulars of the
1912 Prize Contest." on a post card and mail it to-day. Address: Publicity Manager,

Canada Cement Company Limited, 503 Herald Bldg., Montreal
