VARICOSE VEINS CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.
Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on Varicose Veins. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me an operation was my only hope—but I dreaded it. I tried several specialists, but soon found out all they wanted was my money. I commenced to look upon all doctors as little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He advised me to consult Dr. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skillful. I wrote them and got The New Method Treatment. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded with a complete cure. I could only earn \$12 a week in a machine shop before treatment, now I am earning \$24 and never lose a day. I wish all sufferers knew of your valuable treatment."

HENRY C. LOCUST.

DEATH OF NICHOLAS HOLLINGSWORTH

On Friday night last the death occurred of Nicholas Hollingsworth at his home, Sheldon's Corners, at the age of 78 years.

Mr Hollingsworth came to Canada from Wexford, Ireland, when only twelve years of age and for about 58 years has been a resident of this section. A man of genial disposition, a good neighbor and constant friend, he gained and held the respect and esteem of a wide circle of the people of Leeds County. He was a prominent member of the Orange Order.

He was twice married. His first wife was Jane Berney, by whom he had five children, three of whom survive, namely, Henry of Addison, Thomas of Sheldon's Corners, Mrs F. Mott of Frankville. By his second wife, Mary Hollingsworth (who survives him) he had seven children, six of whom survive, namely: Mrs A. E. Church of Alexandria Bay, Alice of Syracuse, Daniel and John of Winnipeg, Nicholas of Edmonton, and Fred at home.

The funeral, which was largely attended, took place from the family residence on Monday to Christ's church, where service was conducted by the Rector, Rev W. G. Swayne. The pallbearers were all old friends and neighbors of deceased, viz.: Mahlon Yates, Will Yates, Stephen Niblock, John Topping, Adam Whitmore, George Cowie.

DEATH OF MRS. HITSMAN

With deep sorrow citizens of Athens learned on Monday of the death of Mrs S. A. Hitsman, which occurred at her home, Athens, on Monday last. Following an illness of typhoid fever, Mrs Hitsman seemed to be recovering slowly but surely, when unfavorable symptoms became manifest and she passed away in a few hours.

Though a resident of Athens for only about three years, Mrs Hitsman's kind, amiable disposition gained for her many friends who deeply sympathized with her during her illness and now sincerely mourn her death.

To Mr Hitsman, so sadly bereaved, the Reporter joins with his many friends in extending heartfelt condolences.

A very large number of the people of the village called at the house of mourning to look their last upon the departed. The beautiful floral tokens, besides those from individual friends, included wreaths from the Athens High School students, the students of Form III. Sr., the teaching staff of the A. H. S., and from the Public School.

The funeral service is being conducted at the home this afternoon by the Rev David Alexander of Osgoode, following which the remains are to be conveyed to North Russell cemetery for interment.

DEATH OF ALBERT FOLEY

The death of Albert Foley took place at the home of his son Gordon in Brockville on Thursday last. He was aged 73 years and had been a resident of Athens and vicinity all his life. Three daughters and four sons survive: Mrs George Patcher, Frederick Foley and Mrs M. Schofield, Black River, N. Y.; Mrs F. Mosher, Rochester, N. Y.; Arden and William Foley, Watertown, N. Y., and Horace G. Foley, Brockville. Deceased is also survived by four sisters and four brothers as follows: Mrs J. Lawson, California; Mrs J. Cassel, Michigan; Mrs J. Poulin and Mrs Horace Carley, Brockville; James Foley, Hard Island, Frank Foley, Athens, Theodore and Charles of Lake Eloida. In religion Mr Foley was a Methodist.

Watch Your Horse

The language of the horse is easily learned. If drivers would watch carefully the horses under their care they could readily detect the signs of uneasiness or suffering. It is a well-known fact that the ears of the horse express his emotion; when they have a backward slant it shows he is ill-treated or thinks he is going to be. Through the eye the horse expresses his feelings. When he is suffering his eye is contracted, it has a nervous restless expression easily recognized. When a horse is comfortable his eye seems large and full and has a serene look.
