BACKACHE

The ordinary every-day life of most of our women is a ceaseless treadmill of work. How much harder the daily tasks become when some derangement of the female organs makes every movement painful and keeps the nervous system all unstrung. One day she is wretched and utterly miserable; in a day or two she is better and laughs at her fears, thinking there is nothing much the matter after all; but before night the deadly backache reappears, the limbs tremble, the lips twitch—it seems as though all the imps of Satan were clutching her vitals, she "goes to pieces" and is flat on her back. No woman ought to arrive at this terrible state of misery, because these symptoms are a sure indication of womb diseases, and backache is merely a symptom of more serious trouble. Women should remember that an almost infallible cure for all female ills, such as irregularity of periods, which cause weak stomach, sick headache, etc., displacements and inflammation of the womb, or any of the multitudes of illnesses which beset the female organism may be found in

Lydia E. Pinkham's Vegetable Compound.

When a medicine has been successful in more than a million cases, why should you say, "I do not believe it would help me"? Will not the volumes of letters from women who have been made strong by Lydia E. Pinkham's Vegetable Compound convince others of the virtues of this great medicine? Surely you cannot wish to remain weak and sick and discouraged, exhausted with each day's work. If you have some derangement of the feminine organism try Lydia E. Pinkham's Vegetable Compound. It will surely help you. GET ADVICE AND HELP FREE. If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She will hold your letter in strict confidence. She can surely help you, for no person in America can speak from a wider experience in treating female ills. Address is Lynn, Mass.; her advice is free and helpful.

"DEAR MRS. PINKHAM:—About two years ago I consulted a physician about my health, which had become so wretched that I was no longer able to be about. I had severe backache, bearing-down pains, pains across the abdomen, was very nervous and irritable, and this trouble grew worse each month. "The physician prescribed for me, but I soon discovered he was unable to help me, and I then decided to try Lydia E. Pinkham's Vegetable Compound, and soon found that it was doing me good. My appetite was returning, the pains disappearing, and the general benefits were well marked. "You cannot realize how pleased I was, and after taking the medicine for only three months, I found I was completely cured of my trouble, and have been well and hearty ever since and no more fear of the monthly period, as it now passes without pain to me. Yours very truly, Miss PEARL ACKERS, 327 North Sumner St., Nashville, Tenn."

\$5000 FORFEIT If we cannot forthwith produce the original letter and signature of above testimonial, which will prove its absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

It is a great affliction for a woman to have her face disfigured by pimples or any form of eruptive disease. It makes her morbid and sensitive, and robs her of social enjoyment. Disfiguring eruptions are caused by impure blood, and are entirely cured by the great blood-purifying medicine—Dr. Pierce's Golden Medical Discovery. It removes from the blood the poisonous impurities which cause disease. It perfectly and permanently cures scrofulous sores, eczema, tetter, boils, pimples and other eruptive diseases which are caused by the blood's impurity. It increases the action of the blood-making glands and thus increases the supply of pure rich blood. "For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 115 West Main Street, Battersea, Mich. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted." The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery." The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 31 one-cent stamps for expense of customs and mailing only, for the book in paper covers, or 50 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

WANTS ALL THE WORLD TO KNOW IT
That Dodd's Dyspepsia Tablets Brought Back Complete Health After Four Years of Suffering from Dyspepsia.
After four years suffering from indigestion and dyspepsia, Elzear Cote, Jr., of St. Edwidge de Clifton, Que., is a strong, energetic man once more, and he wants all the world to know that he owes his new-found health to Dodd's Dyspepsia Tablets and to no other cause. Mr. Cote says:
"For four years I was terribly troubled with my stomach. I was treated by three doctors and they all told me the same story, I had Dyspepsia, but none of them could give me relief.
"Then I dropped the doctors and started to use Dodd's Dyspepsia Tablets and the results were marvellous. After the first box I had no more pain and I was soon in splendid health again.
"I do all my work. I am never tired. I am sure anyone who suffers from stomach disease can find a cure in Dodd's Dyspepsia Tablets."
"To eat what you like, when you like, use Dodd's Dyspepsia Tablets."
