## THE ACADIAN

WOLFVILLE, N. S., MAR. 9, 1888

### Local and Provincial.

**PERSONAL.**—Hon. J. W. Longley, Attorney General, spent Sunday in Wolfville, the guest of F. Brown, Esq.

**PERSONAL.**—The mild weather of the past week has given an opportunity of finding fault with the school, which has been frozen in here during the winter.

**FOUND.**—By experience, that Excelsior dyes are the best of any dyes we have used and give the best satisfaction of any known dyes. Try them, only eight cents at any store.

**SAD DEATH.**—A miner named Alex. Fraser was killed by a fall of earth and rock in the East Mines at London, Ont., on Tuesday last. He leaves a wife and five children.

**REVIVAL.**—Interesting revival meetings are being held in the Methodist church at Lower Horton. We understand quite a number have already professed conversion. May the good work continue.

**FIRE COLL.**—Mr. Andrew Westcott, of Gaspereau, had a handsome yearling colt in Wolfville on Tuesday getting it weighed. It tipped the scale at 660 lb. The dam is an "Island Boy," and the sire "Confidential Charley." We are glad to see good horses growing up.

**SCOTT ACT.**—Complaints were laid on Saturday last before Stipendiary Division against E. D. Bishop, of the Acadia Hotel, for violations of the Scott Act. The cases were tried on Tuesday, when four convictions for \$100 each were made, it being the second offence.

**HIGH PRICES FOR EGGS.** cash on trade, at Prat's.

**RECOVERED.**—We are glad to notice that our townsman, Mr. John O. Pines, who has been quite ill for the past few months, is around again this week. Mr. E. Sidney Crawley, who has also been ill for some days, is now so far recovered as to be able to attend his place of business.

**THE RINK.**—Owing to the entertainment in College Hall to-night the rink will not be open, but will be open to-morrow (Saturday) evening instead, when a "leap-year skate" will be had. This is a new feature in Wolfville, and will no doubt be a very enjoyable and amusing affair.

1 Ton Bright P. R. SUGAR retailing at 7 cents. o R. PRAT.

**THE NEW PROFESSOR.**—Professor Wortman, of Acadia College, has returned from his European trip and entered upon his work as Professor of French and German. During his absence he studied at Paris and Heidelberg. His ability, experience and fine qualities as a Christian gentleman indicate that he will be a valuable addition to the staff of professors.

**THE YARMOUTH.**—The S. S. Yarmouth, which has been laid up for the winter, resumes her regular trips between Yarmouth and Boston to-morrow. During the winter she has undergone extensive alterations, which has greatly increased her accommodation. She is now capable of carrying 350 passengers with comfort and safety. No doubt she will do good business during the coming season.

**THE EXHIBITION CAR.**—The Canadian Pacific Railway car arrived at Wolfville on Wednesday, and was open for the public all day yesterday, during which it was inspected by a large number of people. The exhibit of grains, grasses and other products of the great Northwest were certainly fine, and give some conception of the future greatness of our country. We regret that our space will not admit of an extended description.

"Diamond N" Molasses, Wheat Bran and Middlings, just rec'd. o R. PRAT.

**THROUGH CANADA.**—The people of this town are to be favored with a treat in "Max O'Neil's Journey from Europe to Asia, through Canada," which is to be presented in College Hall this evening. The subject is one in which we all must be deeply interested, and to the many who are unable to make the journey through "this Canada of ours," this will be a grand opportunity of viewing its many interesting and beautiful sights. To illustrate the lecture a fine stereopticon will be employed, throwing a picture 20 feet square. The brilliant stereopticon light will be used for the first time in this place, and every portion of the journey will be extensively illustrated. We would advise all who possibly can to attend. The receipts will be in aid of the college library.

## Up, not Down!

To undersell others seems to be the great aim of some. To do this they sell inferior goods. In the shoe trade it is done as in others. We are constantly trying to improve our stock by handling goods from none but first class manufacturers. We call your attention to our new lines of

**Men's Hand and Machine Made BOOTS & SHOES,** as we carry, beyond question, the most complete and desirable stock of these goods to be found in the market.

C. H. BORDEN.

## BERWICK TIMES.

NEWS, NOTES, JOTTINGS, ETCETERA.

The reverend and venerable Dr. Rand occupied the Baptist pulpit in Berwick Sabbath morning, the 19th ult., and though very weak in body, spoke with all his accustomed vigor and acceptance.

In his weakness he walked away from the house leaning on our arm for support, and we were pleased to see one after another take him by the hand and tell him how much they enjoyed his sermon. We are sure these little words of kindness did not hurt either the head or the heart of our venerable friend, and we are also quite sure that he had no debilitating effect upon his physical constitution. In our own first pastorate there was one good sister, now gone home, and she was one of our best personal friends, who always contended that it was wrong to tell a minister that you enjoyed his sermon and censured those who indulged either privately or publicly in the luxury of this kind of praise. Her objection was that it made the preacher proud, and that it was our duty to praise only God and not man. We do not claim to be particularly sensitive to either the praise or the censure of others, and we are sure the kind words of our friends, and we have had kind words, never did us much harm, but often have been to us when weary and cast down, like apples of gold in pitchers of silver. The lesson which we wish to inculcate in this county of intelligent church-going people is this—If you wish to lighten the heart of your pastor, to enjoy his preaching and help him to preach better, do not lavish all your good words upon the stranger, but reserve a few of your best, always treasure nearest your heart as "friendship's offering" for him. Try it, and the oftener you do it the more you will enjoy it. Then you will hear him with new ears, help him with ready hands, love him with a warmer heart, and drink in even his commonest words with altogether a sweeter relish.

**PERSONAL.**—Capt. Amos Burns and family have returned from their winter visit in the U. S. The Capt. has been as far as Florida. Mr. T. W. Messenger, who has been selling in Ontario for a Montreal clothing house, is also on a visit home.

**BEARS BAND.**—The Berwick Band held a very successful concert a few evenings since in Foster's hall. Unfortunately a grotesque negro's face painted in bright colors on the posters, gave a wrong impression as to the character of the entertainment.

**THE SINGING HERALD** is the name of a live paper published at Cliffondale, Bangs, Mass., by J. A. Halliday, at one time publisher of the Berwick and Wolfville Star. We learn from it that J. A. Hall, late of Berwick, is finishing a music ware room, and that Rev. J. H. Hughes, late of Acadia, Yarmouth, is preaching at Cliffondale.

**BERWICK.**—Strangers passing through Berwick on the railroad often express disappointment at its meagre appearance. Berwick proper is quite out of sight to railway travellers. Ours is not a city set on a hill, but a quiet hamlet modestly reposing in the old "Pleasant Valley," close on the banks of the great Cornwallis River. Travellers to see us and our cozy homes, "where the richest are poor, and the poorest live in abundance," must leave the railway at Berwick station and step down the hill half a mile north.

**BAPTIST.**—Preaching at Berwick, 11 a. m. Preaching at South Berwick, 3 p. m. Prayer meeting at Berwick Sabbath and Thursday evenings at 7 p. m. E. O. REID, Pastor.

**METHODIST.**—Preaching at Berwick at 11 a. m.; Sacrament of the Lord's Supper at 12. Preaching at Weston Hall, 3 p. m. Preaching at Harborville, 7 p. m. Prayer-meeting in the Berwick Vestry Sabbath and Thursday evenings at 7 p. m. Subject for discussion likely to be interesting. T. D. HART, Pastor.

**CHRIST CHURCH (Anglican).**—Service next Sunday afternoon at 3 o'clock. REV. T. R. GILLIM, Incumbent.

**CONDUCTOR JOE EDWARDS,** of the W. & A. R., who is perhaps as widely known as any of the fraternity who sport the brass button, has lately been presented by three American friends, with an elegant walking stick. —Hants Journal.

**Use Excelsior dyes.** They are the best and cheapest dyes in the world, and are found to dye twice as much as other dyes and are more brilliant at far less cost. Only eight cents at any store. 30

## Get your furniture and pictures framed at Parker's new furniture rooms, Berwick. Choice picture-moulding in stock.

Fred S. Fisher, from Orient Heights, E. Boston, is on a short visit to his old home in Berwick. We are pleased to see him looking hearty and hale.

Mr. C. E. Sanford is loading potatoes at Berwick at 45 cents per bushel, and will continue to load at the highest market price as long as there are any in the market.

We are sorry to record the protracted illness of Stephen Illey, the oldest trader of Berwick. Though seriously ill, his family doctor entertains strong hopes of his recovery.

**RETURNING TO HER FIRST LOVE.**—Mrs. Wheelock has purchased the house now occupied by Mr. Black, and purposes moving into it this season. She lived in this cozy cottage when first married.

**MOVING WEST.**—Mr. J. Andrews has purchased the store next door west of his own, from Mr. W. West, and will move it back from the street and transform it into a neat and roomy dwelling house.

**TEMPERANCE.**—Longfellow Division, S. of T., meets every Friday evening in Fisher's Hall; Annie E. Parker, W. P.

**SOMERSET DIVISION.** S. of T., meets every Saturday evening in Somerset Hall; Charles Illey, W. P.

**EVANGELISTIC.**—The Methodist Society in Berwick have invited Rev. Mr. Savage, the evangelist, and band, to visit Berwick, and the probabilities are that they will come very soon, as Mr. S. has already expressed a readiness to come.

**PERSONAL.**—Capt. Amos Burns and family have returned from their winter visit in the U. S. The Capt. has been as far as Florida. Mr. T. W. Messenger, who has been selling in Ontario for a Montreal clothing house, is also on a visit home.

### A LETTER FROM QUEBEC.

(Translated from the French.)

GENTLEMEN.—I have deferred writing the letter to testify to the benefits derived from the use of your SIMON'S LINIMENT. It has done wonders among all the people who have used it about here.

I can certify, that in every case where I have used it upon myself, I have been very well satisfied.

Mr. N. Mooney of St. Sylvester, had a bad leg which was said to be incurable. I told him to use Simon's Liniment, and it has effected a complete cure in a very short time. His neighbor Mr. John Devlin having received a serious cut on his leg, Mr. Mooney took him the Liniment, and having used it, found himself completely cured.

I have been assured of the cures of these people, and the remedy having become known, it has created quite a demand, people coming as far as 35 miles to procure it for themselves.

Mr. Wm. Bennett of St. Ferdinand has had it some time for himself and he has since bought it for his friends, who suffer from Rheumatism, and they have all been well satisfied.

I have never known any medicine to have had such good results about here as Simon's Liniment. Hoping that it will prove as satisfactory elsewhere,

I am yours truly, DAMAS PAGE, JR., Merchant.

St. Sylvester, Quebec, 27th Dec., 1887.
