WHOLE NO. 781.

The Anglo-Russian Dispute. The German Press on the Situation

dispute is well expressed in an article, entitled "England has lost," in the Allgemeine Zeitung of Munich,

a bet, a diplomatic steeplechase, or anything else—England has as good as lost. * * * And what, then, is to become of England for having put up with Russian presumptien on the banks of the Murghab and the Kashk? There can be no further limit to her yieldingness. The 'debateable ground' lies precisely between Merv and Herat, and if Russia once gets into her power the northern slopes of the Paropamisus she will also manage to find mountain passes leading to the Heri Rud—i. e., to Herat, and from Herat roads lead eastward to Candahar.

"Again, the Afghans, who must independent body in the most lindependent body in the most independent body in the case of the cartridge is to the the assertion in the splendid audacity with which it defies alike public opinion, professional cirticism, and the palpable necesities of the situation.

Notwithstanding feverish efforts at the dockyards to remedy some of the most glaring defects of our naval equipment, there is no evidence that the Admiralty have at all grasped the situation in which the country would find itself in the not impossible event of war. An excellent emergency is afforded by the contracts for ships of war which, the second of the cartridge is the total number of newspapers was bein the chamber.

The case of the cartridge is the them it is often bends and breaks in the class of the it is to fact it forms 'a temperate zone on the well greased it does not jam, but this is not always possible in such a limit forms 'a temperate zone on the well greased it does not jam, but this is not always possible in such a limit forms 'a temperate zone o a bet, a diplomatic steeplechase, or

Due

perilous degree."
The Vossische Zeitung writes:-The Vossische Zeitung writes:—

"It is difficult to answer the question how Mr. Gladstone will manage to settle the difficulty in the just and honorable manner referred to yesterday. His yieldingness can scarcely go further, and it spears to us that in the pending conflict England has only the choice between an uncertain and a fateful war and a peaceful solution, which would be little honorable to her, inflicting as it would, an incurable wound on her prestige in the Christian and Mussulman world. Of a capitulation Mr.

News from Edmonton district hows the populace there to have been just as terrified as those in Battleford.

Fort Saskatchewan is in a very cannon and only twenty-five Government rifles, save breech-loaders, resultive honorable to her, inflicting as it would, an incurable wound on her prestige in the Christian and Mussulman world. Of a capitulation Mr.

One of the pattern made over forty years ago was taken from a whale caught near Coos Bay, or condition for defence, with no cannon and only twenty-five Government rifles, save breech-loaders, resultive honorable to her, inflicting as it would, an incurable wound on her prestige in the Christian and Mussulman world. Of a capitulation Mr.

One of the pattern made over forty years ago was taken from a whale caught near Coos Bay, or condition for defence, with no cannon and only twenty-five Government rifles, save breech-loaders, resulting the world on her prestige in the Christian and Mussulman world. Of a capitulation Mr.

News from Edmonton district hoads those in Battleford.

Fort Saskatchewan is in a very for is visit to this country. Mean that the Warnold is now preparing for his visit to this country. Mean that the Warnold is now preparing for his visit to this country. Mean the will do no literary work.

—9.536 tons of copper regular were shipped from Newfoundland for the year ending July 31, 1884.

—English peeple are drinking more beer and less spirit. The revenues is less this year by \$1,300.

The Pall Mall Gazette says that Matthew Arnold

The Policy of Prattle and Petition.

last. It is a very easy sort of policy and fits himself and his party well. It consists of prolonged prattle, fellowed by petitions from the elect. 16 10 If " the Tories" do not succumb to \$271.70 eternal jaw then the job of destruction is to be accomplished by means of petitions, "How do you play, my friend," said one to an Irish fiddler, "is it by ear?" "No." "By note." "No." "Pray how do you play then?" "By main strength, be * then?" ** By main strength, or paters." Well, we judge that pratte the distinguishes a propagalists of that policy in a state of temporary exhaustion. It expedient. On Monday the message | Clarke's Crossing. various forms of bumptious and bad

English, the Grit papers contained a simultaneous yell for "petitions." Political p

Drive it Away.

Drive away all poisonous humor from the blood before it develops in scrofula or some chronic form of disease. Burdock Blood Bitters will do it.

Moses Burpee, C. E., has been appointed Master Mechanic of the New Brunswick Railway. He will have charge of all the machinery and rolling stock on the road, with headquarters at McAdam Junction.

A Wide Spread Evil.

Country grocer was made glad by the receipt of pounds weight of paper spoiled for every useful purpose extended in the next general election. The enfranchisement of the Indian male adults en masse would undoubted with the country postmaster was made of the country injuriously, but so far nobody has proposed to do anything of the kind. Sir John Macdonald's bill only provides that an Indian shall for the future be a the farm of a Blake pipe-lighter. And it was wickedly said that more of Mr. Blake's speeches went into

The State of the Navv.

osuthward to Candahar.

"Again, the Afghans, who must lose all respect for England through Mr. Gladstone's policy, will be swall-lowed up as Russia's vassals, and then can begin the great plundering war raid to India, whose loyalty meanwhile will likewise have received a rude shock. With every advance of the Russians, the situation becomes more serious for England through Sp. 179,650

Again, the Afghans, who must lose all respect for England through Mr. Gladstone's policy, will be swall-lowed up as Russia's vassals, and the great plundering war raid to India, whose loyalty meanwhile will likewise have received a rude shock. With every advance of the Russians, the situation becomes more serious for England through Mr. Gladstone's policy, will be swall-lowed for the leaves and three the great plundering war raid to India, whose loyalty meanwhile will likewise have received a rude shock. With every advance of the Russians, the situation becomes more serious for England through Mr. Gladstone's policy, will be swall-lowed for the lower of two ironclads have also been given out. The time allowed for the belt-ed eruisers is two years and three and the deriving out the jammed cannot in driving out the jammed the cleaning-rod. But this is not long eneugh until a piece called the "jag" is serewed on, and when this is done the rod cannot be returned. A man cannot in action use the rod, but must lie down or pass the rifle to another, and the derivance of such an operation, especially in close fighting, and it will be hopeles if affined to failure to produce the ships within the appointed time, although on former occasions bighly respectable firms have been as much as two years behind time, although on former occasions bighly respectable firms have been as much as two years behind time, although on former occasions bighly respectable firms have been as much as two years behind time, should a contracting of the free and too employ themselves in action in driving out the jammed the cleaning-roal But this is not long on the is

al of General Komaroff with a request for the withdrawal of General Lumsden for having misinformed his Government about the Russian onset. And poor Lumsden! * * Co. offered to build two ironclads in two years, and three helted control of the work of the wind of the whole of the same of the whole of the work of the whole of the whole of the whole of the work of the whole o onset. And poor Lumsden! **

The Russians never as much as thought of sending Frontier Commissioners; and instead of them General Komaroff at last makes his appearance with even a larger escort than that of General Lumsden, which was so much complained of. Komaroff draws the frontier line as it pleases him, while Lumsden merely looks on and reports. And if Englished. looks on and reports. And if England puts up with that, then she will have lost for the third time.

prestige in the Christian and Mussulman world. Of a capitulation Mr.
Gladstone cannot think, or his doom
would be scaled."

The Policy of Prattle and Petition.

The Policy of Prattle and Petitio Mr. Blake has got a policy at

arrival of troops.
