REFORM meeting took place at
the Basement of Methodist Church
on Monday. Excellent speeches
were delivered by Mr. W. A. True-
man, Mr. H. A. Powell and Mr. Thos.
Pickard.

THE LIQUOR QUESTION is the latest
sensation in Amherst. No licenses
are granted, and the hotels still keep
their bars open. Mr. Lamy was the
first attacked for violation of the law.
The Court met on Monday, and the
Justices were served with a certiorari.

LIQUOR CASE.—Mr. Eugene Bowser,
special constable to carry out the
provisions of the License law, re-
ceived an anonymous letter the other
day, giving him full information re-
specting Jerome Gillis, and threaten-
ing him with the \$500 penalty un-
less he proceeded against Gillis. The
trial came off on Tuesday, before
Justices Cahill and Fawcett. Mr.
Powell appeared for the complainant,
Mr. Burton Cahill for the defence,
(Mr. W. A. Trueman having refused a
fee). Austin, the chief witness
was brought in on a warrant, having
refused to obey the subpoena. Gillis
was fined \$20 and \$5 costs.

PARSONS' ITEMS.—A foot of
snow, the greatest depth of the
season, fell Sunday night; sleighing
is excellent. Preparations are being
made for shipbuilding; several
vessels are to be built next summer.
—The Harbour is almost clear of
ice; a schooner arrived a few days
since from Windsor with freight. No ice
in the Basin.—Owing to the absence
of snow it was for some time very
difficult to procure fuel and hay, but
both commodities are now more
plentiful.—Business of all kinds has
settled into its usual winter routine;
and everything else is dull and an-
nual. A Division of the Sons of
Temperance is flourishing, how-
ever, together with the Choral and
Literary Society. The latter has
provided several lectures, which have
been well received.

Nominal Proprietor vs. M. Thibault.

For the Post.
One could almost imagine that the
age of personalities, acrimony and
calumny had passed away, so mild and
calm were the Liberal as they stood
trembling and shivering with fear
before the Halifax election. A trifling
majority gained them the victory,
and that by the most depraved and
unprincipled course that any body of
politicians could descend, the fanning
into flame a religious frenzy between
Protestants and Catholics, and now
the trumpets are blowing far and
wide, the starry crest of the Big Eagles
(such as the Halifax Chronicle and
the Toronto Globe) being feebly imi-
tated by the Sackville penny whistle.
In that journal the Nominal Proprietor
thereof undertakes to lecture Mr.
Thibault, and repeats in a cowardly
and unprincipled manner the infa-
mous Lie, circulated by the Halifax
Chronicle during the contest there, to
the effect that M. Thibault had gone
to Digby and told the electors of that
County, that he had come, specially
appointed by the Pope, to tell them
how to vote, that he had in his pocket
a rosary or string of beads, which
had been specially blessed for the
occasion, etc., and a lot of other
unmitigated trash. This Lie M.
Thibault nailed completely when in
Halifax, and so thoroughly that no
other respectable Liberal journal in
Nova Scotia cared to repeat it, yet
we find the N. P. reproducing the
falseness and attempting to play
on the credulity of the people of
Westmoreland. We imagine, how-
ever, that the N. P. is not so thor-
oughly honest as it pretends to be,
brought his pigs to the wrong mar-
ket this time, and the scouring he
has received at the hands of M. Thi-
bault should teach him to be more
careful in future in producing state-
ments in the Penny Whistle which he
knows to be untrue. Why, then, does
the Editor of the Minister's
organ stoop to such low depths to
make a point against the "pack of
yelping Tories" he is so fond of
talking about. Does he by authority
of the Minister of Marine, or his own
cool, unblinking impudence, under-
take to rule the county of Westmore-
land? Has he, by birth-right, citi-
zenship and electoral rights of long
standing, been justified in taking
charge of the County? Has he been
so thoroughly the ruler over the
county "backwoodsmen" and French
electors of this County, that he may
dictate to them who shall or who
shall not address them? If the
French people of Shelburne desired to
hear M. Thibault, by what right does
he impose a ban of silence upon
the "backwoodsmen" and French
electors of this County, that he may
dictate to them who shall or who
shall not address them? If the
French people of Shelburne desired to
hear M. Thibault, by what right does
he impose a ban of silence upon
the "backwoodsmen" and French
electors of this County, that he may
dictate to them who shall or who
shall not address them?

Mr. Smith by opposing Mr. Dom-

ville in his election for King's Coun-
ty. Upon the vacancy occurring in
the office of the President of the
Bank of New Brunswick,
known only as the manager of a
successful banking institution, was
appointed to it, in direct violation of
the pledges he had given to the
gentlemen who named him. The Hon.
Albert J. Smith had fooled these
gentlemen, who considered the pro-
mise of the Minister of the Marine
was the pledge of a man of high
personal integrity. These pledges he
had no intention of fulfilling, and
these pledges having "served his
own ends" for the time being, he
threw them aside, and trod them
under foot. He will not in the same
way hesitate to serve any voter who
trusts to his electioneering pledges.
I shall follow you, with some
further illustrations.

PRO-RUSSIAN MEETING IN LON-

DON FIZZLED OUT!
What Derby, Bismarck and
Gorchakoff say!

GREEK MOVEMENT CHECKED

Northern Light Debate.

SERVIA AND ROMANIA PROTESTING

AGAINST RUSSIAN AGGRESSION!

FENIAN DRILLING!

Special to Chignecto Post.

LONDON, Feb. 20.—The meeting of
London workmen was abandoned
because Gladstone refused to partici-
pate. Formal resolution of workmen's
neutrality because of altered aspect
of affairs resulting from withdrawal
of the British fleet from Prince's
Island that the meeting would have
caused serious rioting.

Turkish soldiers have killed 30
and wounded 22 Drouzes in Mulk.
The attack was made under pretence
of arresting heathen for trespass.
Gorbey and Bismarck having an-
nounced that they will not represent
respective countries at Congress,
Gorbey and Bismarck decided same way.

A telegram from Vola says that
the Greeks, at first successful, are
now in a critical position on Mount
Pelion, as the Turks have recaptured
three positions and are massing.

BELGRADE, Feb. 20.—General
Lesegranin has gone to Adrianople
to obtain modifications of peace
preliminaries in favor of Serbia and
to protest against the Russian oc-
cupation of Nisch.

RUCHARST, Feb. 20.—On Wednes-
day's sitting of the Senate, the
Minister of Foreign Affairs said the
Roumanian Railways were in the
hands of the Russians, and his efforts
to obtain a recognition of Roumanian
rights were unavailing. Russia was
also negotiating without authority
or consent of the Government upon
questions which concerned Roumanian
alone.

WINNIPEG, Feb. 20.—Information
has reached here that Fenians are
drilling at St. Paul and Minneapolis,
to operate this way, should England
be embroiled in a European War.

OTTAWA, Feb. 20, p. m.—A long
debate took place on Mr. Terry's
motion for return of the "Northern
Light" expenditures. Perry said if
this Government failed to improve
mail service, that another would.
Sinclair supported this view. Pope
condemned the steamer; the Grits
Government knew the wishes of the
Islanders long ago, but had refused
them. Tupper said the mails should
cross by the Cape in ice boats, and
steamer experiments might be tried
in open water. Smith defended the
Government's course by asserting
the stomach, and the most beneficial
in MORBID CONDITIONS of the system, and
in low and typhoid forms of disease.
Hence its use in SCARLET FEVER, MEASLES,
and SMALL POX, in CARBUNCLE and GAS-
TROENTERO COLIC, and in all cases in
which the system is debilitated under
purulent discharges, and the tendency is
towards recovery.

As a Tonic it is most advantageously
employed in CHRONIC DISEASES with DE-
BILITY, as SCROFULA, DROPSY, PASSIVE
HAEMORRHOIDS, DRACUNULOSIS, CUTANEOUS
AFFECTIONS, CHLERA (also called St. Vitus
