IN another column will be found the advertisement of the 'Colossal Excursion and Tea' to be held at Cape Traverse on Wednesday, July the 4th, for the benefit of the Church and Convent at Summerside. All who attended the 'Mammoth Excursion and Tea' at the Cape in 1885, need not be told of its excellence as a place for gatherings of this kind, and will no doubt, be prepared to attend on the 4th of July.

ON Wednesday last, while the steamer *Corinthian*, plying between Toronto and Montreal, was passing through the Long Sault rapids, a young man named Leclerc jumped overboard and was drowned. He had been married in Toronto the day before, and with his bride was on the way to France on a wedding tour. THE boat which was found outside of the Block House capsized some time ago, has been identified. She belongs to the lobster factory of Mr. Lauchlin McLean, of Governor's Island. On Monday evening while she was being towed from Governor's Island to Point Prim by the schooner *Ark*, she filled with water and sank. A heavy sea was running at the time, and it was found necessary to cut the boat adrift. Shortly after being let go she was sighted by the *St. Lawrence*. There was no person drowned.

A SERIOUS fire destroyed the gold mining village of East Rawdon, N. S., on Tuesday of last week. A fire had been set on Monday to burn some brush near the village. It caused no harm until Tuesday about 1 p. m., when the wind began to blow in the direction of the town. The greater portion of the woods around the mines had been cut away and the brush allowed to remain. This gave the fire a good chance to get well started, and in a short time seventeen dwelling houses, a store, the crusher and hoisting gear of the works, the company's office and the store room were destroyed. The loss is about $20,000.

AN Interprovincial Rifle Match was held in Halifax on the 4th inst., in which teams from New Brunswick, Nova Scotia, and P. E. Island took part. The weather was fine but the wind strong and gusty. The firing was at three different ranges. At the 200 yards distance the scores were: Nova Scotia, 239; New Brunswick, 235; P. E. Island, 224. At the 500 yards range: New Brunswick, 223; P. E. Island, 208; Nova Scotia, 206. At the six hundred yards range, New Brunswick had a lead of 19 points over Nova Scotia, and 44 over P. E. Island. The visiting teams were entertained by the Nova Scotia men after the match.

MAYOR ABBOT, of Montreal, and a large number of citizens met Lord and Lady Stanley and suite at the Montreal Station on Tuesday, the 12th inst. The Mayor read an address of welcome to which Lord Stanley suitably replied, and thanked the citizens for the reception they gave him. Sir William Dawson and the Governors of McGill University also presented Lord Stanley with an address, to which he replied. Afterwards the Mayor and members of the reception committee lunched with Lord Stanley at the Windsor Hotel. The Vice Regal party left Montreal for Quebec by boat the same evening. On their arrival in Quebec, three thousand persons assembled on Dufferin Terrace where Mayor Langlier presented an address of welcome, to which His Lordship suitably replied. Lord Stanley remained in Quebec for a week, and proceeded to Metapedia, N. B.

A YEAR'S EXPERIENCE.

AFTER nearly a year's use of **Simson's Liniment,** I have proved it to be what I supposed at first it was, an excellent Liniment to have about a Stable. I have used it in cases of Cuts, Galls, Bruises and Sprains on my Horses, and in every case found it to give relief at once, cleansing the Cuts and Galls so that they healed rapidly, and reducing the soreness in cases of Sprains and Bruises in a short time. Nothing has presented itself to me that so effectively relieves and prevents the Horse Distemper. I have also found it of very great service, both in my own family and in the families of my men, in cases for which it is intended to be used.
