PROPERTY SOLD. -The store and dwelling, together with 43 acres of land, in this village, the property of Mr. R. Pat-tieson, has been sold for the sum of \$3,920. Mr. James McDonald, of Morris, is the purchaser. We do not know whether Mr. McDonald intends to occupy the property himself, or whether Mr. Pattison will continue on in it.

NEW PARSONAGE. -The members the Canada Methodist congregation of Walton, intend erecting a handsome brick parsonage for the use of their pastor next summer. They have purchased a lot from Mr. John Hewitt as a site for the new building. This lot is facing on the gravel road to the east of the new English church. It is pleasantly situated, and a nice brick building will show

well on it.

FARM Sold.—Mr. Jas. McDonald has sold his farm, which is situated in Morris, about a mile west of this place, to Mr. Charles Carter, of Stapleton. Mr. Carter gives \$5,200, and Mr. McDonald gives the farm and a span of working horses. The farm is a very good one. We do not know whether Mr. Carter intends living on it or not. Mr. McDonald intends purchasing a farm in another part of the county.

SUDDEN DEATH. - An awfully sudden death occurred in the township of Morris on Monday night last. Mr. W. Gal-lagher, an old settler, was in town on Monday, went home, had his supper and retired to bed at the usual time. He made no complaint of feeling unwell, and appeared in good health. In the morning his wife, who was sleeping beside him, discovered he was dead. The family and relatives of the deceased have the sympathy of the community in their sad bereavement.—[Advance.

Buchanan, merchant of this place, who occupies the store lately owned by Blake & Co., (of absconding notoriety) thinking that "it is not good for man to be alone," and believing that house-keeping in single-blessedness is not consistent with true happiness, took to himself a wife from among the fair daughters of the village of Exeter. The happy couple were married in Exeter on Wednesday, 23rd ult., and arrived here on Friday. We congratulate the happy pair and welcome them to our village.

AGRICULTURAL IMPLEMENTS. -Mr. P. J. Sullivan has received several improved seed drills and ploughs. Intending purchaseers would do well to give him a call. They will always find him attentive, ready and willing to deal.

And now ye wire pullers, and contract brokers. Awake! arise, for be it known to ye faithful feeders at the public crib, that Port Albert has another \$1000 vote for its harbor. Where art thou, Didymus? and thou, Geordie come forth.

PERSONAL - Mr. Isaac Martin, of Smith's Hill, paid us a flying visit one day last week. His beaming countenance brings to mind reminiscences of days of yore, and times that never will be forgotten, when he was one amongst us. Isaac will always be welcome among his many friends in Brussels.

FIRE ENGINES,—Mr. J. D. Ronald has received a definite order from Am herstburg for one of his celebrated fire engines, and it is to be forwarded with-

a partner in the concern should he prove successful. No better point than Brussels can be found for an enterprise of this kind, and I hope his most sanguine anticipations will be realized.

Mr. Hill has now three factories which he will run during the coming as which he will run during the coming sea son to their fullest extent,

On Tuesday last, as Joseph Pinckard was running the job press his foot slipped, and in order to save himself from falling, he put out his hand which caught in the press when the impression was going on, crushing two of the bones of his left hand.
