VALVE-IN-HEAD

Make your Motoring season an enjoyable one by
 owning the Car that all other motorists look upon with
 envy—the Buick Six is the most envied car in St.
 John's.
 The Buick is always ready to take you anywhere
 you desire to go—it never falters.
 When you press the starting pedal of the Buick,
 you are assured immediate response—the Delco starter
 is always on the job to turn over your engine every
 time you require it.
 Buick Cars are luxuriously equipped, and upholster-
 ed in genuine black leather—no imitation. Strength of
 construction is an inherent quality of all Buicks. With
 the new Sixty Horsepower Valve in Head engine sixty
 miles an hour is easily accomplished, besides hills are
 made short work of.
 A new and valuable feature is the entirely enclosed
 valves and engine, thus keeping out all grit and dust
 and giving longer life to the car, consequently the En-
 gine is noiseless.
 We shall be happy to let you look over our 1919
 Buick Six which recently arrived—you will be con-
 vinced why it is the most envied car once you have ex-
 amined it.
