**Mr. Grace Notes.**

Westerly wind for a few hours this morning, moved the ice off the coast, but the wind coming in again has its outward progress.

Number of young ladies and gentlemen are working hard for a big entertainment to take place in St. John's Hall on Thursday, May 22nd. Plans date open.

Eric Peckham, travelling for St. John's dry goods firms, is in town for a few days this week.

George Stewart has changed the name of his motor boat from "Sir Pellicoe" to that of "E. L. Stewart". The boat is now completed and named by all who see her.

A large number of men and horses are engaged preparing the site for aviation work in the east. The arrival of the first airplane is expected.

Being the list of April, a card was noticed in the east with the attractive words "Men and Women please see other than the surprise for it contains the words "April fool." But are wanted, and will be wanted. Harbor Grace, for say what you think of the old town in the up-grade, and the force possible cannot pull back in the old rut.

There will be a meeting of the Grace Agricultural Society at the public building to-morrow. Our people seems to be getting alive to the benefits to be derived from the ground, especially vegetables at such an enormous price. No doubt the meeting will be attended.

Miss Mollie McKay arrived from St. John's, on Friday. Miss McKay will in future share the McKay grocery store here.

Mr. T. Colbert has been confined to her room for the past week owing to a severe cough. She is gradually recovering to-day to be able to resume teaching. Her home is at Riverhead.
