## LOW MARKETS!

With practically all stocks at their lowest price in years—with the wave of pessimism sweeping over the country over the war cloud—with thousands of weakly margined accounts liquidated—  
Surely this is the time for the investor with money to pick up some rare "buys".  
The recent price-smashing wave has caused a slump in nearly all stocks, although their intrinsic value is unimpaired.  
Our advice is—take advantage of the present prices.
