UPHOLSTERING.
 To the public in general, a few se-
 crets about your furniture.
 1. If your couch or chair is going to
 wrack, it really has to be upholstered
 before you can cover it.
 2. All repairs have not to be done
 with 3 or 4 inch nails.
 3. Now is the time to have it done
 as we have a new staff and will guar-
 antee good workmanship and quick
 delivery.
 4. What is worth doing is worth
 doing well.
 Drop a card to 15 Balsam Street and
 we will do our best to make 1920 link
 up to 1914 with good work and reason-
 able price.
