The sale of the week was 27,000 quarters at 36s, against 23,000 quarters at 35s 6d during the corresponding week last year. Foreign wheat and flour were quiet. Large quantities of wheat were being sent to the end of the week, with the result that the market is becoming more active. Foreign wheat and flour were quiet. Ocean Freight.

MONTREAL, Aug. 27.—The stagnation of ocean freight is fully demonstrated now when offers are freely made to carry grain as low as 10s to Liverpool. In fact, the market is so active that at other points on the seaboard, both here and there, offers are being made at 10s. In fact, it is quite the other way, and the market is becoming more active. Foreign wheat and flour were quiet. Large quantities of wheat were being sent to the end of the week, with the result that the market is becoming more active.
