# WHISKARD'S

## TWO BUSY DEPARTMENTAL STORES.

Have you heard the story, full of love and pride and glory.  
How a pair of happy sweethearts made their minds up to get  
In the garden sat sweet Kosey, bright and gay as any Fairy, wed  
And beside her George was sitting, listening to the words she said.

### George, Have You Heard

That Whiskard's Millinery Opening is this week, Wednesday, Thursday, Friday and Saturday?  
What the Thorn is to the Rose

A mighty disappointment when you get it. So an unsuitable hat is to a fine costume. You are dowdy in spite of all if your hat is wrong. You look well in anything if your hat is right. It is a pity to spoil a stylish dress with a common hat; it is a sin to risk it. You risk nothing when you get your hat at WHISKARD'S.

Ladies, call and see us. You will find without any exaggerated statements our Hats and Bonnets are right, and we know our prices will suit you. All welcome.

### This is no Time For Trifling

If you've got a single dollar to spend—spend as though there wasn't another in sight.

This is no time for trifling—whether you're young or old. You can't recall a period when more prudence was demanded than is demanded of you right now—and right here we offer you from our purchasing tour of last week

## Doing Good Work.

### Annual Meeting of the Women's Christian Association.

Twenty-Two Years of Charity and Usefulness.

The Officers Re-elected—Gratifying Reports—A Tidy Cash Balance—The Conditions of the Homes.

The 22nd annual meeting of the Women's Christian Association of this city was held yesterday afternoon in the "Y" rooms, Dundas street. The president, Mrs. Robt. Reid, sen., was in the chair, and the others present were: Mesdames Carrae, Peto, Hopkins, Fraser, Ward, Burns, Hyttenrauch, Chapman, Davies, Ingram, Cox, Merchant, Meek, Perrin, Smith, Jackson, Hutchinson, Piper, Winnett and Campbell, and Misses Moore, Boyle, McKellar and Lochhead.

All the officers were re-elected for the ensuing year. They are: President, Mrs. R. Reid; first vice-president, Mrs. Carrae; second vice-president, Mrs. Peto; secretary, Mrs. Pattullo; assistant secretary, Mrs. Kennedy; treasurer, Mrs. Perrin.

### THE SECRETARY'S REPORT.

The secretary, Mrs. Pattullo, in her report, reminded the association of the fact that last year they had attained their majority, and now that they had reached the mature age of 22, they ought to be doing their best work. In looking over the records of past years they found one grand plan running throughout and progress being steadily made. Still there were corners to be filled out, defects to be remedied, and far more to be accomplished than had yet been done. If they would only profit by the past, they might in years to come be much wiser and more able to solve some of the problems which now demanded their energies. Meaning they felt cheered and encouraged by the evident improvement made during last year.

The report continued, "Mrs. Trotter, ever wise and faithful, has been unwavering in her care of the inmates. In the Home for Incurables a change of location has taken place, a home on Dundas street having been purchased, which is more accessible than the former one. A new lady superintendent, who comes very highly recommended, has arrived to take charge of this home.

"The relief committee have as usual had abundance of work among the sick and destitute poor, especially during the winter weather of last winter. Eight hundred and thirty-five visits have been made to 97 families, among whom were 388 children, 288 of whom were 21 years of age and many garments, quilts and blankets were distributed.

The thanks of the association were tributed to the many who had contributed to the comfort of the inmates in the homes, to those who assisted in conducting religious services, to the members of the medical profession for advice and attention, and to the city press. The secretary applied for the continuation of generosity and in making up the Home for Incurables on a firm basis, and in carrying it all that such an institution should be a credit to the city of London.

### THE HOMES.

Mrs. J. H. Fraser reported on behalf of the visiting committee of the Aged People's Home and Home for Incurables. She stated that with regard to the former everything had gone on quietly and satisfactorily during the past year under the skillful management of Miss McCallum, who had endeared herself to all the inmates by her kindness and attention towards them. During the summer a much needed improvement was added to the home. The building formerly used as a root house had been enlarged, and was used as a laundry. The men had worked well in the garden, and had succeeded in growing a large number of vegetables. Considering the advanced age of the majority of the inmates of this institution, their general health had been very good for the past year. Three men had died, all of them quite old. There had been twenty admissions during the year and there were at present 53 inmates—29 men and 24 women. In the Home for Incurables four inmates had died during the past year. Six patients were admitted, three discharged, and at present there were eight inmates.

### JAIL WORK.

Mrs. Chas. Hutchinson's report on jail work showed that services had been regularly held in the jail, conducted by the Ministerial Association, Salvation Army and the Brotherhood, each taking alternate Sundays. There were fewer women prisoners than in former years, but

the great hardship still existed of lunatics being confined there, and kept waiting for months before being examined. Fewer children had been in the jail for any length of time, owing to the vigilant efforts of the Children's Aid Society.

The library had been a great source of pleasure to many of the inmates during the year. Sixty women had passed through the jail since this time last year. Services had been held regularly in the hospital, except for a period when a good deal of severe sickness in the wards prevailed, and on that account they were discontinued.

Mrs. Hopkins reported for the visiting and relief committee, and Miss M. A. Moore gave the report of the devotional committee.

The session lasted over two hours, when an adjournment was made till this afternoon at 2 o'clock, when the committees will be appointed.

Laughing gas—Witty talk.

### An Aching Back.

The kidneys cannot talk, and the only way they are of letting us know when they are sick is by making our backs ache. If it is only a little ache the kidneys are only a little sick. If it is a big peace-deceiving, nerve-racking ache the kidneys are more than a little sick. In either case it must be attended to at once.

Doan's Kidney Pills act directly on the kidneys, make them strong and healthy, stop aching backs in every case. Here is a sample case. Mr. Charles M. Allen, 412 Richmond street, London, Bank of Commerce Building says:

"I have been ailing for the past eight months with kidney troubles. I had severe pain across the back and between the shoulders, neuralgic pains across my eyes, so much so that I thought something was the matter with my eyes that would compel the use of spectacles. I felt unnaturally tired and weak all the time, seemed to have no ambition, my head felt heavy and my sleep was poor; I did not rest, sometimes I could not sleep one hour all night. The urine was red-colored and unnatural in flow, and I had scarcely any appetite. I felt really miserable day in and day out. I felt which I got at Store gave me immediate relief from all depressing troubles. I am now free from all of the terrible symptoms which afflicted me. I feel splendid, have vigorous health, have gained four pounds in weight, and am certain that no other remedy could have produced the effect which Doan's Kidney Pills have in my case, for I had previously tried almost every other remedy on the list.
