"Fruit-a-tives" Cured Him

HUGH McKENNA, ESQ.

St. Stephen, N. B., Jan. 17th. 1911. wish to tell you of the grea good 'Fruit-a-tives' have done me For years, I was a martyr to Chronic Constipation and Stomach Trouble. I was greatly run down and my friends feared I had Consumption. I tried numerous doctors and all kinds of medicines, but received no relief until advised to try Fruit-a-tives' by Mr. McCready, of St. Stephen, and am pleased to say that I now enjoy ex-cellent health. Fruit-a-tives are the best medicine made, and I strongly advise my friends to use them.

HUGH McKENNA.

"Fruit-a-tives" is the only medi-cine that will positively and com-pletely cure Constipation. This wonderful compound of fruit juices acts directly on the liver, causing this organ to extract more bile from the blood, and to give up more bile to move the bowels regularly and na-

## URGES FARMERS TO

[Special to The Advertiser.]

Guelph, July 12.-Alfalfa growing is being strongly recommended by Professor Zavitz, of the O. A. C. No better time than the present month could be desired for sowing it, he said, in

a statement issued today.
"It is probably safe to there will be a premium on good there will be a premium." Said Professor. Zavitz. "Those farmers who had their land underdrained and handled it in the best way will likely obtain good crops this year, while some others who have used poorer methods are likely to receive very poor returns. If there is a lower acreage in nearly all of the cereal crops in Ontario in all of the creal crops in Ontario in 1912 than for several years past. This is owing to the late season, and especially to the cold weather in the latter cially to the cold weather in the latter cially to the cold weather has been faviorable for a good growth, arthough in orable for a good growth, arthough in some sections the dry weather of the some sections the dry weather of the last few weeks was beginning to have list influence. Although the grain its influence. Although the grain to have not special reason. It is not set to be no special reason.

Miss Vada McNairnie and Miss Winnie to their new home i crops are not likely to be very heavy, there seems to be no special reason why the yields should not be fairly good in most parts of the province."

Mr. Zavitz points out that, although the cultivated crops, such as ecrn, potatoes and roots, were rather late in being planted, he believes that the accesses will be up to the normal esacreage will be up to the normal, especially as there was a smaller amount of grain sown this year than

#### BABE HELD TRAIN

Little One Wandered Onto Track and Engineer Stopped.

[Special to The Advertiser.] Gueiph, July 12.—The northbound wayfreight was held up here today in a peculiar manner, and the 2-year-old daughter of Reuben Christie, who lives the Grand Trunk, had a very nar-escape from death. The little one wandered away from the house, and on to the tracks. The train was about to pass, and the engineer saw her standpass, and the engineer saw her stands in the middle of the tracks. He ing in the middle of the tracks. He last spring's freshets. Mitchell Bridge blew his whistle, but the child did not last spring's freshets. Mitchell Bridge move, and he then applied the brakes, bringing the train to a standstill within a few feet of where she stood. The conductor walked to where she was and lifted her to one side in safety, and the train went on its way.

BROKE HIS BACK. [Special to The Advertiser.]
