ON TOUR OF INSPECTION

Head of Great Railway System Advises Canadians To Invest At Home.

[Special to The Advertiser.] Winnipeg. Sept. 8 .- Predicting Winnipeg. Sept. 8.— Predicting a gradual return to prosperity in Canada and affirming his faith in the soundness of the country. Edward Beatty, president of the Canadian Pacific Railway, and one of the world's youngest men in a high executive position, reached the west today. Mr. Beatty and party, including Senator Beique of Montreal, vice-president of the Bank of Hochelaga, and Sir Herbert Holt, prominent eastern financier, arrived in Winnipeg after a stop of a few hours at Fort William, where he was greeted by civic officials, and prominent westerners in the company's service. The C. P. R. president and his party are traveling on a special train and traveling on a special train ar remain in Winnipeg until Sunda their next stop at Regina. After viting the coast, the party will sw north toward Edmonton, and retreast through the northern section the prairie provinces. This is Beatty's second annual inspection the company's western lines, and it expected that his visit will result it decision to proceed with much decision to proceed with much decision. opment work that has been held up in the last five years. Mr. Beatty was joined at Fort William by D. C. Cole-man of Winnipeg, vice-president for the west, who will accompany him on

President is Optimistic.

In Mr. Beatty and Mr. Coleman is an example of the old adage that "youth will be served." Mr. Beatty, who is president of the world's greatest transrtation system, is only 44, and he s been on the job for three years. Coleman is but 42, and was only at the time he became vice-presi-t for the west. He is the youngest e-president that has ever been in
