Progressive Appeal

East Middlesex

Having been unanimously chose

Having been unanimously chosen as the candidate by the convention held in London on Sept. 26, composed of representative Farmer and Labor men, living in the riding of East Middlesex, I now offer myself for re-election as your representative during the next session of Parliament. In doing so, I desire to bring to your attention a few of the things which the Progressive party advocate.

The needs of the labor man and the farmer are so similar and their interests are so inter-locked and interwoven that I have no hesitation in appealing to both classes for their support, and what will work out to be advantageous to those people will surely be in the interest of our Dominion, and therefore will be beneficial to all citizens, whether rich or noor
