YOUNG LADIES **BIRDS OF SKY**

All eyes were turned to the heavens yesterday. Captain White and Assistant Fraser are again putting on their the alterations made of as to how the aviation trips through the sky over the city and Waterloo. To-day there are city and Waterloo. To-dry there are many sore—not heads—but necks. If there are any sore heads it is onlybe cause they are peved after they did

not go up into the sir yesterday in-stead of now when the feelings of regret are having their manifestation in con-tortions of an otherwise smiling coun-

on to something to which he was accusted when he saw that the dipping and swooping machine was inclined towards safe ground, the cemetery. And so with all of them, the adventurance which the machine is some people.

The distance which the machine the went up ranged from 1000 to 1200 feet in most cases, in a number of cases it went up ranged from 1000 to 1200 feet if went up to 2500 and in one, 6000.

Some of the passengers were so taken up with the trip that they are looking for another and have put in their request for just one more trip.
