Only Some Twenty Elections to Decided-The Majority Liberal.

LONDON, July 16 -Justin McCarthy, leader of the anti-Parnellites, who was defeated in Londonderry a few days ago, much to the delight of the Parnellites, was to help them out. elected yesterday in the North division of Longford. Sir Wilfred Lawson, an advanced Radical, who favors the disestablishment of the church, the abolition

At 2:30 this afternoon the returns showed that the Government has elected 310 members, and the Opposition, 338. Out of 20 seats remaining to complete the House, 14 are likely to fall to the Opposition and six to the Government. The House, therefore, is likely finally to consist of Government, 316: Opposition, 358.

Rt. Hon. Mr. Gladstone will return to London at the and of next week, and reside

London at the end of next week, and reside temporarily with Stuart Randall prior to resuming official residence in Downing

resignation as chairman of the National committee, was accepted, and a recess was taken without a choice of his successor. The Secretary of agriculture said it had not been definitely settled whether Henry C. Payne, of Wisconsin, would accept the chairmanship or not. Payne himself confirmed this statement. Whoever is elected chairman of the Executive committee will probably act as chairman of the National committee.

Carnegie Crippled.

in London. Charges are made by friends of the family that the Scottish Society of Chi-cago, though engaged in projects here to honor Burns, have allowed his descendants

Getting Things in Order-San Francisco, July 16.—No news car from the Superintendent of the Bunker Hill and Sullivan mine, to-day, and last night there was only a brief message saying that Liberal.

Liberal Forecast of the Cabinet—Will

Sir Charles Dilke

Go in ?

the troops were fast getting things into apple pie order. The Superintendent has given orders from here to take care of the three millions worth of property in his charge, and get into readiness to set the mill running at the first opportunity. It is calculated here that this should occur some time reart week. No more men will go calculated here that this should occur some time next week. No more men will go from here until something more definite on this subject is learned. Few of the Bunker Hill miners sent from here have been in want, and the company has made advances

Million Dollar Overflow.

BIRMINGHAM, Ala., July 15.—News received to-night from Sumner county, the scene of the overflow of the Tombigbee, of the House of Lords and the doing away with standing armies, has been elected in the Cockermouth division of Cumberland. He is also a radical temperance advocate.

At 2:30 this afternoon the returns showed that the Government has elected 310 members, and the Opposition, 338. Out of 20 bees, and the Opposition, 338. Out of 20 acts remaining to complete the House, 14

PORT TOWNSEND, July 15 .- The United States steamer Wolcott, upon the written request of the Puget Sound Board of Health, will, until the quarantine is raised, intercept incoming vessels and prevent their entering the Puget Sound district.

Sir Charles Russell, Attorney General;
Mr. Rigby, Solicitor General.
Among the chief officers Counters Spencer is likely to be Mistress of the Robes; the Earl of Cork, Master of Horse, and Lord Harrington, Lord Chamberlain. When Sir Charles Russell's early elevation to the bench occurs, he will be succeeded in the Attorney Generalship by Mr. Rigby, and Mr. Herbert Asquith will become Solicitor General.

SHAMOKIN, Pa., July 16.—John Fabouch was killed this afternoon in the Enterprise mine. While riding out from the slope bottom he raised his head too high and it was caught between two rocks projecting from the roof. The wagon passed from under him at the same time, catching his foot and dragging him, so that his skull was crushed. He was found dead hanging from the roof.

BRADSTREET'S REPORT.

bricklayers employed by the Carnegies tonight notified the advisery committee that
they would do no more work until the
troubled is settled. It is said similar
pledges have been received from the
machinists who are needed to repair the
furnaces and machinery before work can be
resumed.

Monetary Conference.

Washington, July 16.—It has been decided that the international monetary conforcement will be held in Realist the transformance and Kanasa Citya are for leading and their trial comes up in October.

New York, July 15.—Special telegrams
to Bradstreet's from some of the busines
on the busines
