The Colonist.

IMPUDENTLY FALSE.

The Grit weekly has become quite as unscrupulous as the Grit daily. Yesterday's Province contains a statement as impudently false as any that ever appeared in the Times. With respect to the matter of Col. Prior's status, it has for a long time shown that it has no regard for evidence or common sense, and now in order to deepen the false impresunder the head of "Men and Things" are to be found the following sentences:

"If the schools are Protestant, every Protestant will say the government should interfere by all means and so stop the outrage. If the schools are not Protestant, but are common, they are still offensive to the Catholics. Why? Because it is part of the Catholic doctrine that the children should have both secular and religious education. It may be said that education. It may it is prejudice; that it should not be conidered; that Catholics should be satisfied to have secular education in the schools-the teaching of reading, of history, of geography, and so on.
