Was All Run Down. Weighed 125 Lb. Now Weighs 185.

Mrs. M. McLean, Debec Junction, N.B., writes: "I wish to tell you what Mr. Burns' Heart and Nerve Pills have done for me. Three years ago I was so run down I could not do my own work. I went to a doctor, and he told me I had heart trouble and that my nerves were all unstrung. I took his medicine as he ordered me to do, but it did not do me good. I then started to take Mr. Burns' Heart and Nerve Pills, and I am now strong and well, and able to do my own work. When I commenced taking your pills I weighed 125 pounds, and now weigh 185 and have given birth to a lovely young daughter, which was a happy thing in the family. When I commenced taking your pills, I was a nervous, shaky, and nervous woman. I could not go upstairs without resting before I got to the top. I can now go up without any trouble."

The price of Mr. Burns' Heart and Nerve Pills is 75 cents per box, or 3 boxes for \$2.25 at all dealers or mailed direct on receipt of price by The T. M. Burns Co., Limited, Toronto, Ont.

JOHNSON-KETCHELL FIGHT

These pictures will be shown at the Opera House, Wednesday for one night only. At Chatham and Newcastle crowded houses saw them and advance reports say that all were delighted with them. The clear and perfect reproduction of the contest between Johnson and Ketchell which has been secured for exhibition at the Opera House here, shows that Johnson is a wonderfully big and powerful man. His tactics are clearly shown and one can form a pretty accurate judgment of his methods when he meets Jeffries next July. The knockdown of Johnson in the last round, followed by the sensational and dramatic knockout of Ketchell, are two of the many incidents that are presented in such faithful detail. The presentation of these pictures is a privilege which the local public will not soon forget.

LUNG TROUBLE

Promptly Relieved and Permanently Cured by Inhaling Catarrhazone.

Mrs. Diny Brown, of Tenapeau, N.S., Was Cured by Catarrhazone of Lung Trouble and Catarrh After Hundreds of Other Remedies Failed.

If your lungs are weak, if there is consumption in your family, if Cough, Catarrh, and Bronchitis bother you, be sure to use Catarrhazone. It is especially adapted for these diseases and cures them.

Mrs. Brown took cough mixtures, but they made her sick. Then she used Catarrhazone, after reading with interest the positive and numerous cures mentioned, she tried Catarrhazone.

"I used Catarrhazone Inhaler," writes Mrs. Brown, "five minutes every hour and soon realized that it was going to cure me. I could feel the soothing, moistened air spreading through the air passages of the throat, and I reached the sore spots in the lungs that other remedies failed to reach. Catarrhazone seemed to go just where it was needed most, and soon put a stop to my cough. It restored me to perfect health, and I am convinced that no cough, cold, or asthma can cure it. Catarrhazone is used."

No treatment is so pleasant, so certain to cure as Catarrhazone. By means of the Inhaler, the local symptoms, such as cough, cold, and asthma, and congestion, are quickly corrected. Ferrous tablets, which are taken for each meal, purify and cleanse the blood of all poisons, and build up the system.

This local and constitutional treatment is always effective, and cures cases that have been given up as hopeless. Money can't buy or produce anything better, and to get cured it is absolutely necessary to use Catarrhazone.

CARD.

Dalhousie, N. B. April 8th, 1910
To the Electors of the Town of Dalhousie, N. B.

Ladies and Gentlemen:—

You will again be asked on the 15th of April to select your Aldermen for the next municipal year, and the undersigned has to offer their services in that capacity, and respectfully solicit your suffrage.

Town affairs, at the present time especially, require most careful handling and it would be our common aim and object while having a thorough efficient administration to safeguard your interests as to property, health, flourishing financial position, and establish the town's credit on a sound basis.

I elected we will concentrate all our efforts towards a reduction of taxes while at the same time looking after the maintenance of our streets and sidewalks.

We feel the necessity of pressing the advantages of Dalhousie as an industrial and shipping centre upon the attention of those seeking an outlet for capital, and if elected, we would work to the end of having all the public utilities we can secure from both local and federal governments.

The time has passed for small party motives in our town, and I selected by you we will try to give you a broad, enlightened and progressive administration.

It will be impossible for us to visit you from house to house. We address our appeal to everybody without distinction because our desire is to serve you faithfully and with earnestness.

Yours Respectfully,
B. J. CHIVERTON (Independent)

ANOTHER CASE OF CHRONIC RHEUMATISM

Cured by Father Morriac's No. 7.

Green Hill, N.B., Nov. 28th, 1909.

Father Morriac's No. 7 has cured me of the most distressing case of chronic rheumatism I have ever known. It affords me great pleasure to be able to add my testimonial to those of the many hundreds for whom Father Morriac's No. 7 has wrought wonders.

For several years I was a great sufferer from Rheumatism, and it was not until I tried Father Morriac's No. 7 that I was cured. I shall be glad to answer any enquiries from the suffering ones.

Miss FLORENCE MacNEILL.

Father Morriac's No. 7 removes the cause of the trouble—the uric acid in the blood—and strengthens the kidneys so that they can keep the blood filtered and pure. When No. 7 drives out the Rheumatic poisons it drives them out to the skin. No. 7 Tablets are put up in 25c boxes. At your dealer's or from Father Morriac's Medicine Co., Ltd., Chatham, N.B.
