THE VOICE OF THE TOILER A POLITICAL PLATFORM ADOPTED BY ENGLISH UNIONS.

Nothing in the Demands That the Tories

Nothing in the Demands That the Tories
Cannot Accept—Artisaus and the Newiy
Franchised.

London, Aug. 22.—The council of trades
unions has issued a statement giving the
points of trades proposed to appeal to the
new electorate. These points are: Reform
of the factory and workshop acts, representation of labor in partial ment, the amend
six days and five hours roughly lightly acts in the
weather. another in his place, who was a stranger to the predictions of failure confidently made by its opponents. Between the entrance to the park, the Achilles statue and the Serpentine, and grouped around seven platforms, skilled reporters estimated the crowd to number 50,000. It was largely composed of the ordinary London mob, and the dullness and decorum of the proceedings obviously affected the band of roughs who were hovering around the outskirts waiting and hoping for a row. With the group around the platform there was no enthusiasm to speak of. The apeakers were nonenities. Going to and returning from the park the white robed vestats of the Salvation army were hissed all along the streets.

The unhappy results of this remains.

the organization that the standard commenting upon the manifesto says there is nothing in the program which conservatives cannot accept. The Standard thinks it is not at all certain about to members of the French councils general resulted in a complete republican victory, which presages a republican triumph at the coming elections.

M. Grevy said the republic was not to standard thinks it is not at all certain that the working classes are about to increase their electoral power. On the contrary, it says, the addition of 2,000,000 voters will drain the country of its laborers and may seriously affect the political power of artisans.

His Anger Against England the Result of

Losses on the Turf.
London, August 22.—M. Rochefort. editor of the Intransigeant, of Paris, was interviewed to-day in relation to recent articles in his paper demanding vengeance on the English for the alleged murder of Olivier Pain. M. Rochefort denied that he desires the lynching of the Prince of Wales or Lord Lyons.

M. Rochefort's friends say the articles against the Prince of Wales were written while M. Rochefort was laboring under

great excitement due to heavy losses on been ascertained that the so called August Henry Green was a woman, and that Wm Hix, her husband, had deserted her in Boston about a year ago. Hearing that he was here she came on, and ascertained he was here she came on, and ascertained that he was serving a term in the city prison for stealing. In order to get with him she determined to commit some offence so that she would be sent to jail. She assumed a boy's attire so that she would be put among the male prisoners and see her husband.
