

GREAT RACE AT TERRE HAUTE

THE CYCLONES DIRECT AND HAL POINTER EACH WIN A HEAT

Myrtlewood Runs Third at Jerome—Racing at Gloucester, Leaside and Chicago—Trotting at Baltimore—Lord Hawke's Team of Cricketers Will Play in This City—The Pool Rooms Ralid.

TERRE HAUTE, Ind., Oct. 6.—Nature showed up a rare autumn day, a little too cool, however, for harness racing to be at its best. All night and morning there were busy men and teams working on the track, which by noon was in good shape.

In the afternoon 12,000 people assembled to witness the race. After the 5:40 a.m. trot, and 2:18 p.m. were finished the crowd waited anxiously for the great event, the race between Hal Pointer and Direct.

At 5 o'clock the two pacers scored up for the world. Hal Pointer having the pole, he was given several scores of the world. The post was maintained to the quarter to seconds. On they went to the half in 1:09 1/2, and it was seen that Geers had the home stretch and that was to start's satisfaction.

A double team was maintained in the stretch in 1:43, and then the drive began. The lead descended on the station, and the race was over in 1:47, and the victory was won by Direct.

When within 100 feet of the wire, Direct with a magnificent drive, brushed Direct with a terrific burst of speed on the wire, and in 32 seconds they were down to the quarter in 34 sec., Pointer making the half they went in 1:07, and then they began. With every nerve drawn to the limit, Direct attended strictly to his business. Down the third quarter the pace was quickened to a killing pace, and victory could only go to the one that could hold it.

There was no endeavor to save the horses for the final burst. Endurance and gameness would tell the tale. All was hazard. In 32 seconds they were down to the quarter, and the two drivers, their ender and his, knew that the profession, urged on the flying steeds. Slowly but surely Hal Pointer closed up on the station. As the distance stand is at his neck, half way home he even, and so they remain within 50 feet of the wire. Chief, Ed Geers rallies Pointer and he goes under the broke loose. Chief after cheer greeted the victory.

Darkest coming on the race went over till to-morrow, when the track will be on edge and a sensational time certain. Pointer \$50, Direct \$27.

Myrtlewood Runs Third at Jerome. JEROME PARK, Oct. 6.—Fires race, 1400 yards—Raceland 1, Chesapeake 5, G. W. Cook 3, Time 1:31.

Fourth race, 1/4 mile—Ed Roy and Pezara ran a dead heat for first place, Pickering 3, Time 1:55 1/2. Fifth race, 1/4 mile—Dolan 1, Belle of Edman 3, Time not taken.

Winners on Other Tracks. Gloucester: May Moran, Malatto, Laura S. L. Plattner, Garrison, Tuttle. Chicago: Trapp, Eddy Peary, Rindal, Silver Lake, Nellie Pearl, Ernest Race, Jokey Fox was railed off the track for pulling Louis M. in the second race, which he took second place.

Ontario Cricketers Will Have a Game With Lord Hawke's Team. The English cricketers are coming. Mr. A. H. Collins received a dispatch last night from Lord Hawke stating that the English team would be here on the 21st and 22nd of this month. They will play a team here composed of the best men in Western Ontario, and it goes without saying that this will be one of the greatest events of the season here in Canada. The Ontario team would do well to get together and practice hard for Lord Hawke's eleven during the short time since their arrival have shown themselves to be an exceptionally strong team.

Their Second Game With New York. LIVINGSTON, N. Y., Oct. 6.—About 1500 people witnessed the second day's international cricket game to-day. The New Yorkers played a sharper fielding game than yesterday. The Englishmen showed their inability with a score of 283, and after a short intermission took the field. The Ontario team finished its first inning with 120 to its credit and at 2:30 o'clock started on the second inning. When time was called for the day they had scored 99 runs.

Wheeling It to Buffalo. Mr. J. H. Eddie and Mr. H. Sintzel of the Athenaeum Bicycle Club of this city started at 12 noon on Thursday last to wheel to Buffalo. They got to Burlington (64 miles) in 12 hours, and arrived at Hamilton on a hour later. Leaving Hamilton on Friday at 10:30 they rode to St. Catharines, reaching there at 8:30 p.m. At 10 p.m. on Saturday they started for Buffalo. The Hamiltoners of Buffalo gave them a hospitable reception. On Monday morning at 6 o'clock they started for home, arriving at Hamilton at 5 p.m. Leaving Hamilton at 10:30 a.m. yesterday they reached Toronto in the evening. The roads were in fairly good condition all the way and the trip was thoroughly enjoyed by the wheelmen.

Queen's vs. Walker House. The much-talked-of game between the Walker and Queen's employees was played at Island Park yesterday. The Walker House team proved themselves vastly superior to the Queen's and batted Sinclair freely to the end of the fourth inning, when he was replaced by Butler, who did much better work. The game was very interesting throughout. Batters—Walker, F. Brown and T. Bates. Queen's: Sinclair, Butler and MacNeil. Score: R. H. E. Walker.....1 3 9 0 3 1 0 Queen's.....0 1 1 0 0 0 0 2 3 11

A CHARITY COMMISSION

An Organization Suggested to Deal With Middle-class Poverty.

A short time ago a committee was appointed to consider some means by which a permanent organization might be formed to deal with the charities of the city.

The first meeting was held yesterday afternoon in the Mayor's office at City Hall. There were present: Professor Goldwin Smith, ex-Mayor Howland, Edward Taylor, Thomas F. Samuel Akers, president of the House of Industry, Rev. John Gillespie, secretary of the bureau of settlement, and Messrs. Shortt and Patterson. The City Council was represented by the Mayor, Ald. Burns and Ald. Saunders.

Mr. Goldwin Smith, who occupied the chair, and last winter was one of the most severe on the poor that Toronto had ever had. The indications are that the coming winter will be even more severe. The present charitable institutions are not sufficient to meet the case upon the whole. They are too scattered, too unorganized and unco-ordinated. He suggested a series of questions to be submitted to a committee to be appointed to frame a series of questions to be submitted to persons connected with the charities of the city.

A committee was appointed for this purpose consisting of Messrs. Goldwin Smith, W. H. Howland, Ald. Burns and Mrs. Shortt.

The feeling of the meeting seemed to be in favor of a commission having power to deal with the case of middle-class poverty. The committee will be organized as a bureau, and to inspect the lodgings of way-farers.

A new room will be opened in the Perth-avenue school next Monday to accommodate the increased number of pupils.

For an assault on P. C. Wallis, John Doyle was yesterday fined \$30 or 90 days, and Elton Milne \$3 or 30 days.

Harry Arridge, a sneak thief convicted on several charges, was yesterday committed to Central Prison for 10 days.

Annie Gredie was yesterday committed to jail on a charge of feloniously wounding Margaret Chapman.

John Mark was yesterday found guilty of committing an aggravated assault on Nicholas Wainwright and committed for 10 days.

The ladies of the "Rose of Sharon" Lady Blue Lodge will tender a complimentary concert and social tea in their lodge room, Shaftesbury Hall, there has been a select program prepared for the occasion, and a pleasant time is anticipated.

JOHN WYCLIFFE'S MEMORIAL

THE NOBLE FILE OF BUILDINGS OPENED YESTERDAY

Celebrated With the Voice of Prayer—The Bishop's Inaugural Sermon—From Far and Near the Alumni Gathered—Description and Equipment of the \$70,000 Home.

"The glorious work achieved" might well have formed the motto of yesterday's gratifying proceedings in the new home of Wycliffe College students. As becometh the stronghold of an Anglican evangelizing institution, prayer and thanksgiving formed an integral part of the procedure. Holy communion in the morning, discussion of the ministerial needs of the time in the afternoon, and a benediction in the evening.

The New College is situated on the east side of Hoskin-avenue, a thoroughfare which has recently been opened up between St. George's and the University. The new building is practically a continuation of Harbord-street on the west and St. Mary's street on the east, and separates the college grounds from the University grounds.

The new building is a fine example of modern architecture, and is well equipped with all the latest appliances. It is a most desirable residence for the students, and is well situated for the study of the liberal arts.
