

A MONTREAL MIRACLE.

AFTER SEVEN YEARS OF ILLNESS, HEALTH IS RESTORED.

A Statement of the Remarkable Case of Miss Ramsey, as Investigated by a Reporter of The Globe.

(The Globe, April 1st.)

During the past year newspapers in various parts of the country have chronicled accounts of marvellous cures from the use of a medicine known as Dr. Williams' Pink Pills for Pale People. These remarkable cures, many of them in cases hitherto held by medical science to be incurable, were known as the Hamilton miracle, the Cape Breton miracle, the Detroit miracle, the Saratoga Co. miracle, etc., and were vouched for by the leading newspapers of the country.

One of the most remarkable of these cures was that of Miss Ramsey, of Montreal, who, after seven years of illness, was restored to health by the use of Dr. Williams' Pink Pills.

Miss Ramsey, who is now a healthy and vigorous young woman, was at one time a weak and feeble creature, who, after seven years of illness, was restored to health by the use of Dr. Williams' Pink Pills.

Her father, Mr. Ramsey, was a well-known manufacturer and one of the most prominent citizens of Montreal. He was at one time a healthy and vigorous man, but after seven years of illness, he was restored to health by the use of Dr. Williams' Pink Pills.

HEALTH IS A SENSITIVE THING.

The Position the Mayor and Health Board Have Created.

The foolish action of the Mayor in breaking faith with Mr. Greer and his clients is now bearing fruit. Affairs in connection with the Contagious Diseases Hospital are two to the Mayor's disadvantage.

There are at present nine cases of diphtheria that should be isolated without delay. There are two in the Infants' Home, two in Dr. Barnardo's Home, in Trinity College, and four in a small private hospital.
