We have much pleasure in publishing the Resolution of the House of Assembly of the 21st. July last, with the interesting despatch Complied with for want of information.

21st. July last, with the interesting despatch which has been received with reference

guadavic River, is referred, as the berth was thereto.

refused to the Hon. James Allanshaw, on the ground of his having very large reserves and five year licences:

Crown Land office, Nov. 13, IS37.

Raynes access THE FALLS.—We are inpleting a new Bridge have been made to the Company by a scientific and competent person, who will undertake to complete the same on his own responsibility, and will not require any payment from the Company until he shall have finished his undertaking. We hope that his information is correct, and that the Company, who have sacrificed so much money, may yet be gratified by having the object of their wishes finally accomplished.

Before, hewever, the undertaking is again renewed, it might probably be worthy the consideration of the Company to ascertain whether a new site for the erection of the Bridge might not be found much more prefers.

The Resolution was promptly conveyed
