**Mr. S. M. ROBINS, Superintendent,  
New Vancouver Coal Mining & Land Co., Nanaimo.**

I take this opportunity of again expressing my appreciation of your carefully prepared and valuable work. I really do not know what we should do without it now, for one at once turns instinctively to it when seeking mining information of all kinds. In addition to the four copies ordered on enclosed slip, please forward one copy to the Secretary of the Company in London.

**Dr. C. M. PERCY, Wigan, England.**

With this valuable book my readers are well in touch, and I need only repeat here what I have more than once written in this Journal, that for interesting and valuable information on Canadian mineral industries and resources, it could hardly be excelled. No person can know industrial Canada without it; any one may understand industrial Canada with it.
