### WHAT THE CANADIANS SAY:

HAMILTON AGRICULTURAL WORKS,  
L. D. Sawyer & Co.,  
Hamilton.

*Penberthy Injector Co.*

GENTLEMEN,—With reference to your letter of the 7th. We have used your Injector, size B, on our tractions, and consider that they cannot be excelled. They are just the thing for tractions, as they are automatic without question.

Yours truly,  
L. D. SAWYER & CO.

C. N. NORSWORTHY & Co.  
Manufacturers of Boilers, Engines and Saw Mills.  
St. Thomas, Ont.

*Penberthy Injector Co.*

GENTS,—We have been using the Penberthy Injector for the past two years, and are perfectly satisfied with it. We have been handling Inspirators and Injectors ever since they have been in the market, and have tried about every new style offered, and without condemning any, we find yours giving satisfaction to each and every customer. We now use only the Penberthy. We remain,  
Yours respectfully,  
C. NORSWORTHY & CO.

and Wood Working Machinery.

*Penberthy Injector Co.*

DEAR SIR,—Yours of the 6th is at hand. I have sold quite a number of your Injectors, and have put them on in almost all ordinary services, and in some instances extraordinary service, and they have given first-class satisfaction.

Yours truly,  
A. R. WILLIAMS.

JOHN GILLIES & Co.,  
Manufacturers Shipman and Acme Engines.  
Carleton Place, Ont.

*Penberthy Injector Co.*

GENTS,—The Penberthy Injector is the only kind we have found to suit our purpose. We attach one to each of our four, five and six

horse-power boilers, and although too large for constant use, our customers have never found trouble when Injector was called on to take the place of pump. In our small steam launches we now have an Injector on boilers. Before we got yours we dared not put either Inspirator or Injector on, as the overflow was so great it made them very uncomfortable. We have yet to find a customer who has a complaint about your Injector. Our orders for the coming year will be much in excess of the past. Draw at sight for last invoice.

Yours respectfully,  
JOHN GILLIES & CO.

THE HAGGERT BROS. MANUFACTURING CO., LIMITED,  
Manufacturers of the Cornwall Engine and  
Wide-Awake Separator.

*Penberthy Injector Co.*

GENTLEMEN,—We have used, we may say almost exclusively, your Penberthy Injectors both on our portable and traction engines during the last two years. We have not the slightest hesitation in saying they have given us and our customers so far the very best of satisfaction. For traction engines the "Penberthy" is the best Automatic Injector we have ever used.

Yours truly,  
HAGGERT BROS. MFG. CO., LIMITED.  
R. HAGGERT, President.
