Report for Term ending December 31st, 1895.

TOKYO BRANCH.

*School.*—During the term we have not been left without blessings. Two of our students have asked for baptism, and two have become Bible-women—one in Ushigome and one among the poor in Azabu.

At our Alumni gathering more than sixty of the former students and teachers spent the afternoon with us. One of the most beautiful features of the gathering was the number of babies brought by their proud young mothers—little ones to be trained for the Master by those who themselves were brought to Christ in this school, and to whom we hope to make these semi-annual gatherings times of spiritual refreshing.

There have been fifty-seven pupils enrolled—eight daily
