

September 20th, in aid of the Zenana Mission. Mrs. Greaves, the authorized agent of the Church Missionary Society in England, addressed the Company, and gave much valuable information with regard to the Mission. The proceeds of the meeting amounted to \$20. Church work is going on as usual, and we are beginning to prepare for Christmas and the Choral Union Festival.

PETITCODIAC:—It was unfortunately impossible for us to observe our Harvest Thanksgiving on the day appointed by His Lordship the Metropolitan, so we kept the Festival a week later. As usual on such occasions, our pretty Church looked very bright with its handsome decorations. Fruit, flowers, and vegetables were freely given to adorn the sanctuary of our God. The Altar looked very bright with its profuse ornamentation. At the morning service the Rector preached from Psalm lxx. 11; and in the evening the Curate preached from the following verse of the same Psalm. The music was very good at both services. In the afternoon a Thanksgiving Service was held and a Thanksgiving Sermon preached in the new Mission Room in Salisbury. On the evening of the 19th the Curate delivered an historical lecture in S. Peter's Church, Pollett River Platform, on "The Origin of the Church of England." We are working hard preparing candidates for Confirmation; but owing to the scattered Church population it is hard to get classes together, and instruction has, as a rule, to be given at home.

HAMPTON:—The day of Intercession for Sunday Schools was observed in this Parish by the use of special Prayers and the preaching of special Sermons. During the month of October our Rector was laid up for some days with a painful sprained ankle. The contract for the erection of a "School Chapel" at Hampton Station has been awarded. The building is to be completed early next summer.

WATERFORD AND S. MARK'S:—It is a long time since the K. D. M. last heard from these Parishes; but we have not been asleep the meanwhile. The Bishop Coadjutor administered the Sacramental Ordinance of Confirmation to forty candidates on the 29th of August, making the number Confirmed in three consecutive years 130. These, with few exceptions, have made their first Communion and are continuing steadfast in the Faith once for all delivered unto the saints.

The annual picnic was held at Waterford on the 31st day of August, and, notwithstanding the

rain, was a success financially, the amount cleared being \$90.

The members of the Guild of S. Mark are very busy trying to clear off the debt on "the Mission Room," and they have decided to have a sale of useful articles early this month.

It is a great pleasure to notice the growing earnestness of our people in the Church's work, and the Priest in charge of these two Parishes is greatly encouraged by the increased and regular attendance at the services.

The prevalence of typhoid fever in Waterford is causing us some anxiety; but we trust that in answer to the Church's prayers the afflicted will shortly be relieved and restored to health.

Many are the gifts of things useful in house-keeping which have found their way into the Clergy House—bedding and table linen, straw for the bed of the hard-worked mare; meat and vegetables, butter, eggs, and milk, apples and berries—all visible tokens of the people's appreciation of the Church of their Fathers and her work among them. The Parson is very grateful to his people for their thoughtfulness of him. "*Because of the House of the Lord our God I will seek to do thee good.*"
