

Bay State

Philatelist.

Is the most progressive, the most philatelic, and the best printed magazine published in the United States. Its leading features are portraits of prominent philatelists, collectors and dealers; scientific and statistical articles on the various postal services of the world, and comparative auction reviews—the latter a new idea in philatelic journalism, which other papers have endeavored to copy, but lack the statistical ability to do so.

The subscription price to this excellent magazine is 50c per annum.

If you send 75c, a copy of Scott's 56th Standard Catalog will be mailed to you free.

Remit by money or express order, or cash—no postage stamps will be accepted by the publishers or their agents in payment for subscriptions.
