THE INSIDE.....

In covering a chair or couch, or in making or remaking a mattress, it is the inside work that tells, in the long run, the work that is out of sight. It is because we pay scrupulous attention to the inside work that our goods give such satisfaction and wear so well. We are always pleased to give estimates on recovering or remaking. Call in and see us about it.

Children's Shoes ...and Slippers

How much care should be taken in the fitting Qualities of a Child's Shoe—and how little consideration parents give this fact. We carry all the widths in Children's Shoes the same as in Ladies' or Gentlemen's—and our stock is always assorted with some of the best wearing shoes manufactured.
