

## PAINES CELERY COMPOUND

ACTS AT THE SAME TIME ON  
**THE NERVES,  
THE LIVER,  
THE BOWELS,  
and the KIDNEYS**

This combined action gives it wonderful power to cure all diseases.

### Why Are We Sick?

Because we allow the nerves to remain weakened and irritated, and these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

By quieting and strengthening the nerves, and causing free action of the liver, bowels, and kidneys, and restoring their power to throw off disease.

Why suffer Bilious Pains and Aches? Why tormented with Piles, Constipation? Why frightened over Disordered Kidneys? Why endure nervous or sick headaches? Why have sleepless nights?

Use PAINE'S CELERY COMPOUND and rejoice in health. It is an entirely vegetable remedy, harmless in all cases.

Note the difference in the figures of women who do and those who do not use modern labor-saving devices.

**MORE BACKS** are drawn out of shape by the old-fashioned see-saw, rubbing, twisting, wrecking way of washing clothes and cleaning house than by any other means. You ruin your health, form, clothes, paint, and don't get the best results.

Try the greatest invention of this Century in the way of soap—James Pyle's PEARLINE. It does away with the rubbing, hence there is no wear and tear on body or fabric. You don't have to bob up and down over a tub of soiled clothing and dirty water, inhaling poisonous odors and steam; hence you save your health. Its success is marvellous. Millions use it. Millions more will use it. Economical—Effective—Harmless. Every grocer sells Pyle's Pearline. Beware of peddled imitations, they're dangerous. JAMES PYLE, New York.
