DEAR SIR,—Please forward to me one Home Treatment of Compound Oxygen. My supply is out some time ago. It has done me more good than all the doctors put together. Since I started to take the Compound Oxygen I have actually gained twelve pounds.

PAIN'S CELERY COMPOUND

ACTS AT THE SAME TIME ON
**THE NERVES,
THE LIVER,
THE BOWELS,
and the KIDNEYS**

This combined action gives it wonderful power to cure all diseases.

Why Are We Sick?

Because we allow the nerves to remain weakened and irritated, and these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

PAIN'S CELERY COMPOUND

WILL CURE BILIOUSNESS, PILES, CONSTIPATION, KIDNEY COMPLAINTS, URINARY DISEASES, FEMALE WEAKNESS, RHEUMATISM, NEURALGIA, AND ALL NERVOUS DISORDERS.
By softening and strengthening the nerves, and causing free action of the liver, bowels, and kidneys, and restoring their power to throw off disease.

Why suffer Bilious Pains and Aches? Why tormented with Piles, Constipation? Why frightened over Disordered Kidneys? Why endure nervous or sick headaches? Why have sleepless nights?
Use PAIN'S CELERY COMPOUND and rejoice in health. It is an entirely vegetable remedy, harmless in all cases.

Sold by all Druggists. Price \$1.00. Six for \$5.00.

CATARRH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyn-dall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of ten cents in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

CAMPBELL'S CATHARTIC COMPOUND is pleasant to the taste, and more satisfactory than pills.

LOBSTER SOUP WITH MILK.—Meat of a small lobster chopped fine; three crackers rolled fine, butter size of an egg, salt and pepper to taste, and a speck of cayenne. Mix all in the same pan, and add, gradually, a pint of boiling milk, stirring all the while. Boil up once and serve.

FOR Bronchial and Throat Affections, **Allen's Lung Balsam** is unequalled.

"Best cure for colds, coughs, consumption is the old Vegetable Pulmonary Balsam." **Outler Bros. & Co. Boston.** For \$1 at large bottle sent prepaid.

LADY FINGERS.—One cup of sugar, one and one-half cup of butter; beat them together, then add one egg and beat well; add one fourth cup of milk, in which one-half teaspoonful of soda is dissolved; a pint of flour with a teaspoonful of cream tartar in it. Cut in strips, roll in sugar and bake in a quick oven.

A BOTTLE of the "Lotus of the Nile" is a most acceptable present to a lady.

PERRY DAVIS' PAIN-KILLER—Its effects are almost instantaneous, affording relief from the most intense pain.

COLDSLAW.—Shave off a hard, white head of cabbage, and season with the following dressing: One cup of cream, one and a half teaspoonful of mustard, one teaspoonful of salt, one teaspoonful of sugar, and yolk of one egg beaten light. When boiled add one cup of strong cider vinegar, stir well and pour over the cabbage.

COUGHS and Colds. Those who are suffering from Coughs, Colds, Hoarseness, Sore Throat, etc., should try **BROWN'S BRONCHIAL TROCHES**, a simple and effectual remedy. They contain nothing injurious, and may be used at all times with perfect safety.

OYSTERS PANNED IN THE SHELL.—Wash the shells and wipe dry. Place them in a pan with the shell down. Set in a hot oven for three minutes; then take out and remove the upper shell. Put two or three oysters into one of the round shells, season with pepper and salt, and butter the size of two peas, and cover with bread or cracker crumbs. Return to the oven and brown.

MANY suffer rather than take nauseous medicines; and this is not strange, as the remedy is often worse than the disease. Sufferers from coughs, influenza, sore throat, or tendency to consumption will find **DR. WISTAR'S BALSAM OF WILD CHERRY** a remedy as agreeable to the palate as effectual in removing disease.

OYSTERS PANNED IN THEIR OWN LIQUOR.—Eighteen large or thirty small oysters, one tablespoonful of butter, one of cracker crumbs, salt and pepper to taste, one teaspoonful of lemon juice, a speck of cayenne. Put the oysters on in their own liquor, and when they boil up add seasoning, butter and crumbs. Cook one minute and serve on toast.

For Rickets, Marasmus, and all Wasting Disorders of Children

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites, is unequalled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."—**J. M. MAIN, M.D., New York.** Put up in 50c. and \$1 size.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India Missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, he felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, **W. A. NOYES, 149 Power's Block, Rochester, N.Y.**

FOR WASHING WOOLLEN UNDERCLOTHING.—An esteemed correspondent, who has thoroughly tested the following, kindly communicates it for the benefit of our readers: Use one pound of dissolved soap in four gallons of warm water, in which well rinse the articles to be washed, drawing them repeatedly through the hand. (Never rub them on the washboard or knuckles, as it would shrink or destroy the material.) Wring them as dry as possible to remove the soap; rinse them briskly in clean lukewarm water; wring and shape them to their proper shape, and dry in the open air if possible.

POTATO SOUP.—A quart of milk, six large potatoes, one stock of celery, an onion and a tablespoonful of butter. Put milk to boil with onion and celery. Pare potatoes and boil thirty minutes. Turn off the water, and mash fine and light. Add boiling milk and the butter, and pepper and salt to taste. Rub through a strainer and serve immediately. A cupful of whipped cream, added when in the tureen, is a great improvement. This soup must not be allowed to stand, not even if kept hot. Saved as soon as ready, it is excellent.

BEEF DRIPPINGS.—Housekeepers will find that good beef dripping is better than lard for some kinds of pastry and for frying purposes, though for the latter use it burns sooner than lard. Clarify it by pouring boiling water on it as it is taken from the dripping pan, letting it stand till cold and firm; then taking out the cake of fat and scraping off the impurities from the bottom; the rest will be clean and sweet. Bacon fat can also be used in the place of lard, but mutton-drippings will only answer for frying purposes, and many cooks will not use them even for that.
