WOODSTOCK, ONT., CANADA.

"ST. AUGUSTINE" Sacramental Wine.

The REV. DR. COCHRANE writes:—

Messrs. J. S. Hamilton & Co. GENTLEMEN,—The St. Augustine Wine used in my own church on sacramental occasions, as well as in many other churches, I have always heard spoken of in the highest terms and is admirably suited for the purpose. Its deservedly high reputation for purity can be relied upon. The unfermented grape juice also commends itself to those who prefer that the wine should not be fermented and should have a large and increasing sale in our Presbyterian and other Churches.

WM. COCHRANE.

St. Augustine in cases, 1 dozen quarts, \$4.50. Unfermented Grape Juice, 1 doz. qts., \$9.90

THE ARMY.

Proclaiming Full and Free Salvation to All.

A SOLDIER TELLS HOW SHE WAS SAVED.

She Says: "I thank God for the Wonders Paine's Celery Compound Accomplished for me."

General Booth and his vast army of Salvationists are now a mighty power in every quarter of the globe. Their drums, music, soul-inspiring songs and prayers are stirring up the cold, callous, indifferent and wicked in every country under Heaven, and they are accomplishing a work that puts to shame the united efforts of all our Christian churches.

The members of the Salvation Army endure trials, hardships and persecutions, as did the valiant apostle Paul in his time. Many of these faithful Salvationists labor on from day to day, suffering from thorns in the flesh, no doubt of a like character to that endured by the great preacher to the Gentiles; but a merciful and wise Ruler has, through science, provided for His afflicted and diseased servants.

Mr. H. Harbour, of Winnipeg, Man., a faithful veteran of the great Salvation Army, was for a time obliged to give up active work owing to the agonies and sufferings of heart disease, kidney trouble and general weakness.

Knowing well that her great work demanded a strong and vigorous body, she wisely determined to use Paine's Celery Compound, after hearing what it had done for the tens of thousands in Canada. The results were surprising to herself as well as to her brother and sister soldiers. Mrs. Harbour's experience with Paine's Celery Compound induced hundreds of other Salvationists to seek a new physical life from the same great medicine.

Reader, this same wonderful Paine's Celery Compound will do a like work for you, if you are ailing and suffering. Your friends and neighbors have tested it, and it has made them well and strong, after they failed with the common medicines of the day.

Mrs. Harbour writes as follows, with the view of benefitting all sick people:

"It is with great pleasure that I write to thank you for your wonderful medicine, Paine's Celery Compound. Some time ago I was very sick and happened to see one of your publications in which I read of others being cured. I concluded to try Paine's Celery Compound myself, and now I thank God for the wonders it accomplished for me. I was suffering from heart disease, kidney trouble and general weakness; and some days was not able to stand without experiencing great pain; my appetite was also very poor. Since I used the Compound I am able to get about the house and work, and can now eat anything put before me.

"I trust my testimony may lead many to try your valuable remedy."

HEALTH AND HOUSEHOLD HINTS

To take kerosene oil stains out of carpet cover the place with blotting paper and rub with a moderately hot iron.

Celery is invaluable as a food for those suffering from any form of rheumatism; for diseases of the nerves and nervous dyspepsia.

Figs are aperient and wholesome. They are said to be valuable as a food for those suffering from cancer; they are used externally as well as internally.

If cane chairs are sagging in the seat, turn them upside down and wash them with strong soapuds. Soak them thoroughly, then set them to dry. The cane will stiffen up to its normal condition.

To make a mustard plaster for a child, take one teaspoonful of ground mustard and three of flour, with enough water to make a good stiff paste. Spread between two cloths. For an adult use one part mustard to two of flour. Mixed with the white of an egg it will not raise a blister.

Apples are useful in nervous dyspepsia; they are nutritious, medicinal and vitalizing, they aid digestion, clear the voice, correct the acidity of the stomach, are valuable in rheumatism, insomnia and liver troubles. An apple contains as much nutriment as a potato in a pleasanter and more wholesome form.

Snowball Pudding.—Boil a quart of milk; thicken with three tablespoonfuls of cornstarch. Beat the yolks of four eggs with half a cupful of sugar, and add to the milk; pour into a pudding dish and set in the oven to bake for ten minutes. Beat the whites of the eggs until stiff with four tablespoonfuls of sugar; add half a teaspoonful of boiled rice; flavor with extract of lemon, and drop in little balls over the pudding; set in the oven until a slight crust is formed, but do not let color.

Roll Coffee Cake.—Two cups of bread dough when ready for the baking-pans, four scant tablespoonfuls of butter, two of sugar, the white of one egg beaten, a saltspoonful of soda, dissolved in a little water, and one-half teaspoonful of ground cinnamon. Mix and roll out one-quarter of an inch thick and spread with a paste made by stirring two-thirds of a cup of sugar into one well-beaten egg. Roll up like jelly-cake, cut transversely into pieces one inch thick. Set on end, close together in shallow tins. When very light bake in a rather quick oven. They are excellent warm or cold.

Chocolate and Maple Patties.—To make chocolate patties, melt some of the softer fondant in a cup and add some finely cut chocolate, bitter or confectioners'; if too thick to drop add a few drops of water. These can be flavored if desired and usually will be found harder than the peppermint or wintergreen patties. Chocolate peppermints are made in the same manner as peppermint patties, as described above; when hard each one is dipped in confectioners' chocolate which has been melted over steam. Maples patties are made by cutting up two cupfuls of maple sugar, adding one cupful of cold water, and just a speck of cream of tartar dissolved in water, and cooking like plain fondant. When cold melt and drop like the other patties.

"THE COMMON PEOPLE,"

As Abraham Lincoln called them, do not care to argue about their ailments. What they want is a medicine that will cure them. The simple, honest statement, "I know that Hood's Sarsaparilla cured me," is the best argument in favor of this medicine, and this what many thousands voluntarily say.

Hood's Pills are the best after-dinner pills, assist digestion, cure headache. 25c.

On Board a yacht, sail-boat, or any kind of vessel, there's a great deal of work that can best be done with Pearl-ine. It washes all the paint, wood-work, glass, etc., better than anything else. Most captains have found this out—and Pearl-ine is kept in foreign ports, now, on purpose for them. You can't use soap with salt water, you know; but it doesn't make much difference—salt or fresh, hard or soft, hot or cold—with Pearl-ine. 434 JAMES PYLE, N. Y.
