BRANTFORD

STONE WARE WORKS.

The manufacturing of Stone Ware is one of the old-
est and most important interests of Brantford. Being
established in the Spring of 1840, it has been in
constant operation with the exception of a few months
during the winter of 1857-8, and again during the
process of re-building after the fire of the winter of
1877. None but the best sample of New Jersey is
used in the manufacture of this ware, an assortment
of which is kept constantly on hand to supply cus-
tomers. Orders by mail respectfully solicited, and
will receive prompt attention.
