THE CANADIAN ANNUAL REGISTER

EDITED BY HENRY J. MORGAN.

(The Montreal Printing and Publishing Company Printers.)

It is believed by the undersigned that the time has arrived for the publication in Canada of an ANNUAL RECORD OF PUBLIC EVENTS, similar to that which has been so long published, and so well known in England. The rapid strides of the Dominion are attracting the attention of the civilized world. It will be the aim of the Editor to chronicle, each year, the leading events so rapidly succeeding each other in the formation of our national character and national greatness.

The Editor proposes to commence with the birth and infancy of the Canadian Confederation. The first volume of this Register will therefore contain the following:-

- I. The Political and Parliamentary History of 1867, including: 1. A Preliminary Sketch of the Proceedings in the B. N. A. Provinces in 1861-65 and '68 which led to Confederation. 2. An Account of the London Colonial Conference of 1866-67. 3. The Debates of the English Parliament on the Union of the B. A. Colonies, &c. 4. The formation of the Local Governments. 5. The General Election and its Issues, with the names of the successful and unsuccessful candidates, and the number of votes polled for each respectively. 6. A Sketch of the Business of the Dominion Parliament, and of the several Local Legislatures with full and accurate reports of the principal speeches delivered during the Sessions of those bodies.

- II. The Financial Affairs of the Dominion. III. The Church in Canada. IV. Respects of Literature, Art and Science. V. Journal of Remarkable Occurrences. VI. Promotions, Appointments and Changes in the Public Service; University Honors, &c. VII. Obituary of Celebrated Persons. VIII. Public Documents and State Papers of Importance.

It is hoped that the undertaking will receive that encouragement which its importance deserves. The annual history which the Editor proposes to publish will be of great value to all interested in the future of our country.

Should the Register be as well received as the Editor hopes, he will spare no effort to justify future support. All that labour and impartiality can accomplish will be done to ensure the success of his work. He has been promised assistance by men in different parts of the Dominion whose capacity is undoubted. He intends, with as little delay as possible, to prepare the volumes for 1867 and 1868.

The volume for 1867 will contain 350 pp., R. 8vo. and will be bound in cloth.

Price Two Dollars.
