

PROFESSIONAL OPINIONS OF MALTINE.

*During the past year we have received nearly one thousand letters from the Medical Profession in this country and Great Britain referring to the therapeutic value of MALTINE: their character is indicated by several extracts we present below.*

BALTIMORE, MD., JAN. 20th, 1879.

We have realized decided benefit in a large number of cases treated in the City Hospital and at the Dispensary connected with it, from your preparations of Maltine. Many persons will welcome them as most efficacious and palatable substitutes for Cod Liver Oil, and as covering a wider range of application.

S. WESLEY CHAMBERS, M.D., *Res. Phys., City Hospital.*

BALTIMORE, MD., JAN. 20th, 1879.

We take pleasure in saying in behalf of your preparations of Maltine, that they have fully come up to the measure of your representations. They have given us the greatest satisfaction. We have used them extensively to the great benefit of our patients.

DAVID STREET, M.D., *Res. Phys., Maternite Hospital.*

LOUISVILLE, KY., JULY 11th, 1879.

I am using Maltine with Pepsin and Pancreatine in my family, and am exceedingly well pleased with its results. Professor Flint, of your city, whom I highly esteem, has been consulted about the case and knows the solicitude I have had about it. The above preparation in Sherry, after meals, has been productive of great benefit. I am using it in the City Marine Hospital, the Kentucky Infirmary for Women and Children, and in my private practice, and am much pleased with the results obtained.

T. P. SATTERWHITE, M.D.

JACKSON, MICH., OCTOBER, 1878.

*In its superiority to the Extract of Malt prepared from Barley alone, I consider Maltine to be all that is claimed for it, and prize it as a very valuable addition to the list of tonic and nutritive agents.*

C. H. LEWIS, M.D.

ST. CHARLES, MINN., MARCH 23rd, 1879.

In conditions of Anæmia, in convalescence from severe and protracted disease, especially in chronic cases where there is great general debility, and in the enfeebled conditions of aged persons, I have learned to rely on Maltine, nor in any instance have I been disappointed of good results, therein forming a marked contrast, so far as my experience goes, to preparations of Malt, which I had used previously and had abandoned the use of them when my attention was called to Maltine.

C. R. J. KELLAM, M.D.

36 WEYMOUTH ST., PORTLAND PLACE, LONDON.

May 30th, 1879.

I am ordering your Maltine very largely."

LENNOX BROWNE, F. R. C. S., *Sen. Surg., Centl. Throat and Ear Hosp. etc.*

75 LEVER ST., PICCADILLY, MANCHESTER.

January 16th, 1879.

I have used your Maltine pretty extensively since its introduction, and have found it exceedingly useful; particularly in cases where Cod Liver Oil has not agreed, have I found the Maltine with Beef and Iron most valuable.

J. SHEPHERD FLETCHER, M.D., M.R.C.S.

EDDE CROSS HOUSE, ROSS, MARCH 8th, 1879.

I am very pleased to bear testimony to the great value of Maltine. I prescribe it extensively and with the best results, specially in anæmic conditions of the system with much stomach irritability, which it seems to allay very speedily.

J. W. NORMAN, M.B., M.R.C.S.

*We guarantee that MALTINE will keep perfectly in any climate, or at any season of the year.*
