Of all things that man possesses, women alone take pleasure in being possessed.

No man ever smoked "Myrtle Navy" tobacco for a fortnight and then took to any other brand in preference to it. It bears its own testimony of its qualities, and it is testimony which is always convincing. The smoker who uses it is never annoyed by getting it sometimes of good quality and sometimes of bad. The arrangements of the manufacturers for keeping its quality equal are very elaborate and complete, and are the results of many years of experience and close observation.

Women love always. When earth slips from them they take refuge in heaven.

The day of small things

Is for or. It is not the great difficulties of life that try us but the small annoyances that ceaselessly wear away patience and good temper. The smallest grain in the eye, or the pricking of a pin, even an aching corn upset us completely, and therefore it becomes our duty to protect ourselves against the lesser evils which grow great by repetition. To remove corns all that is necessary is to purchase Putnam's Painless Corn Extractor. It will very quickly remove them, and without the slightest pain or discomfort. Putnam's Extractor like other articles of merit has numerous imitators. Be on your guard against such. Ask for and get Putnam's Extractor.

"Fools Rush In, Where Angels Fear to Tread."

So impetuous youth is often given to folly and indiscretions; and, as a result, nervous, mental and organic debility follow, memory is impaired, self confidence is lacking; at night bad dreams occur, premature old age seems setting in, ruin is in the track. In confidence, you can, and should write to Dr. R. V. Pierce, of Buffalo, N. Y., the author of a treatise for the benefit of that class of patients, and describe your symptoms and sufferings. He can cure you at your home, and will send you full particulars by mail.

We censure the inconstancy of women when we are the victims; we find it charming when we are the objects.

"Is there no balm in Gilead? Is there no physician there?"

Thanks to Dr. Pierce, there is a balm in his "Golden Medical Discovery"—a "balm for every wound" to health, from colds, coughs, consumption, bronchitis and all chronic, blood, lung and liver affections. Of druggists.

The essence of education is the education of the body. Beauty and health are the chief sources of happiness.

Best French Brandy, Smart Weed, Jamaica Ginger and Camphor Water, as combined in Dr. Pierce's Extract of Smart Weed, is the best remedy for colic, diarrhoea, cholera morbus, dysentery or bloody flux; also, to break up colds, fevers and inflammatory attacks if used early.

The highest mark of esteem a woman can give a man is to ask his friendship; and the most signal proof of her indifference is to offer him hers.

Without publicity there can be no public spirit, and without public spirit every nation must decay.

Cataract—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern ophthalmology has been attained by the Dixon Treatment of cataract. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is not the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioners are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished the cataract is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure cataract in this manner, and no other treatment has ever cured cataract. The application of the remedy is simple and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 207 King-street West, Toronto, Canada, and enclose stamp for their treatise on cataract.—Medical Times.

A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer.—

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. I have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public. E. F. HARRIS. River St., Duckland, Mass., May 13, 1882.

SALT RHEUM. GEORGE ANDREWS, overseer in the Lowell Carpet Corporation, was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by AYER'S SARSAPARILLA. See certificate in Ayer's Almanac for 1883.
