The "London Mutual" does a larger business in the Insurance of Farm Property and Private Residences than any other Company in the Dominion, AND HAS DONE THE SAME FOR NOW OVER A QUARTER OF A CENTURY. Parties intending to insure should give this "old and tried" Company the preference, for, until it was established, the stock companies, having all their own way, charged the owners of farm property and private residences high rates to make up for their losses on more dangerous classes of property; this is changed now, through the efforts and working of the successful "London Mutual." For reports or insurance apply to any of the Agents, or address the Head Office.
