Consumption and Wasting Diseases.

L. de Bremon, M.D., Knight of Legion Honor, in his work on Consumption, says:

"The Choccolate, of Paris, never mixes Iron with either of the Alkaline, Lime and Soda Hypophosphite salts. He considers the mixture of Hypophosphites objectionable, preferring in fact the Salts separate, giving them alternately according to the Physiological or Pathogenic symptoms indicated by either. He also says that the Hypophosphite Salts as sold are generally impure."

EAGAR'S PHOSPHOLEINE contains PURE HYPOPHOSPHITES with NORWAY COD LIVER OIL only. It is free from Iron or any other chemical which will account for its superiority to all other preparations offered for Wasting Diseases. Read below the certificate of Dr. Slayter, dated JANUARY 1881.

The proprietor also has certificates from leading physicians in Toronto, St. John, Halifax, &c., of EQUALITY OF DATE, proving conclusively that EAGAR'S Phos. pholeine or Cream is the greatest preparation now in use. Second Certificate from Dr. Slayter:

Halifax, Jan. 1881. Since giving you my last certificate I have had many opportunities of further testing your Cod Liver Oil Cream and as well of comparing its action with the EMULSIONS AND PREPARATIONS OF OIL IN THE MARKET. I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oil being of the very finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in stating that where OIL is indicated EAGAR'S CREAM WILL BE FOUND TO BE EVERYTHING THAT IS CLAIMED FOR IT BY ITS PROPRIETOR.

FOUR NEW BOOKS. THE REPUBLIC OF GOD. By Elisha Mulford, L.L.D., author of "The Nation."

8vo., \$2.00. "This is a unique work, and devotes to the great topics of theology a kind of thinking of which we have had little in English literature and need much."—The Independent.

"It will do much to allay the conflict of doubts and denial that waries and distracts so many minds and hearts. It is the larger view that resolves the contradictions into unity, we may almost say that it is by the very largeness of its comprehension a demonstration of faith."—The Christian Union.

THE THEISTIO ARGUMENT AS AFFECTED BY RECENT THEORIES. By J. L. Human, late Professor of History at Brown University. Edited by Prof. George F. Fisher, of Yale College. 1 vol., 8vo., \$2.00.

"It is a volume for students and clergymen, and thoughtful Christians who are more or less affected by the scientific speculations and materialistic babble and clatter of our time. It is unspeakably reassuring to Christian faith to find that after the fairest investigation and the most careful weighing of testimony, the decided preponderance of evidence is on the side of religion. He makes the reader see and feel that this is so."—The Evangelist (New York).

By James M. Whiton, Ph.D. 16mo., \$1.25. "A thoughtful and reverent study of one of the fundamental doctrines of Christianity. To those who are capable of rightly apprehending the spiritual conceptions which Dr. Whiton embodies in this volume, they will serve to clear away many mistaken and material ideas, and will help to make the sublime and inspiring truth of a life beyond the grave much more intensely and vitally real."—Boston Journal.

"Contains a great deal that is interesting and consolatory. His views of the recognition of friends in heaven will find a glad response in the hearts of mourners everywhere."—The Christian at Work (New York).

THE PHILOSOPHY OF CARLYLE. By Edwin D. Mead. 1 vol., 16mo., \$1.00.

"With a profound respect and admiration for Carlyle and his work, he endeavors to set forth the leading principles of his thought and literary achievement. He has succeeded in producing a book of genuine interest and merit, which every friend of Carlyle will enjoy and be grateful for."—The Evangelist (New York).

"To those who wish a final, reliable judgment concerning Carlyle, we recommend the perusal of this book."—Christian Register (Boston).
